Districts across the state are implementing the *Student Success Plan* (SSP), part of Connecticut's Secondary School Reform.

Bring your team to a full day workshop offering technical assistance and advice that will allow your district to successfully integrate the core components of the SSP.

Keynote: Dr. James P. Comer, Yale University, Comer School Development Program

Technical Assistance Workshops:

- Beginner/Intermediate/Advanced Programs
- SSP Alignment with IEP/504 and other Plans
- Capstone Project and the SSP
- District Collaboration
- Team Planning
- Content Assistance

Five Person Team Composition: Administrators, Support Services Staff, Teachers and Parents
