

School Grants Program

The Long Island Sound Foundation will provide a grant to selected schools.

Prior to the event, students may submit a one page essay on what they want to learn or experience on Marine Science Day and why their school should be selected to:

susan.mcnamara@uconn.edu

Teachers may collaborate with their students.

Presents

The 10th Annual Marine Science Day

Wednesday

May 15, 2013

for Students in
Grades 4 through 8

10am – 2pm

At The
University of Connecticut
Avery Point Campus
Groton, CT

Marine Science Day

The purpose of this event is to educate students about Long Island Sound and Marine Science. Each student will be scheduled to participate in a series of hands-on workshops presented by university personnel, graduate students, and environmental educators from a variety of organizations and institutions. These workshops promote a greater awareness of Long Island Sound and the Marine Sciences.

Schedule

9:00 – 9:45 Registration

10:00 – 2:00 Workshops

Visit lisfoundation.org for final workshop listings and each organization's web page.

Outreach programs are located at The Connecticut River Museum, Schooner Inc., The Sound School, and SoundWaters.

Each student is encouraged to pack a lunch that will generate the least amount of trash. Bring your own beverage (**no glass containers**).

Students should dress for outdoor walking, wet-lab activities, and a boat trip. Flip-flops are not recommended.

Registration Form

Registrants will be accepted on a first-come, first-serve basis.

A lottery system is used for boats trips.
