**Next Steps?**

Our first meeting will discuss SRBI and we will be inviting those of you who were willing to share your school’s positive processes with others.

Please note the January and February times/topics. These workshops are part of the NEW LEADERS ACADEMY and we are more than happy to invite you to attend. These are topics you expressed interest in at our May meeting. No cost to CAS member schools.

We will decide upon topics/format for November, March and May meetings at our first meeting in September.

Looking forward to continuing the dynamic conversations from May. YOUR interests and needs will lead us forward as a group.

I hope each of you has a smooth and positive start to the school year.....I will be thinking of you on opening day(s) and wish you well!
