WELCOME TO THE 2018 CIAC HOCKEY CHAMPIONSHIPS

More than ninety years ago, principals from high schools throughout Connecticut joined together to create a structure that would promote healthy competition for their school's team and sportsmanship between and among their athletes. Even in the 1920s, there was a concern that student-athletes be allowed to enjoy their sports without fear of exploitation by outsiders. That small band of principals could not have foreseen the future development of what would become the Connecticut Interscholastic Athletic Conference (CIAC), and the importance that would evolve in so many of its sports tournaments. Certainly, the boys ice hockey tournament has become one of the marquee events in the high school sports world in Connecticut.

It is an honor for me to serve as the chairman of the CIAC Ice Hockey Committee. Building on the solid foundation set by our predecessors, the committee members have worked long and diligently for the betterment of our sports. I am sure the ice hockey teams throughout Connecticut will continue to thrill our fans with their speed and skills. This weekend's competition will be the culmination of months and years of hard work from the student-athletes and coaches, and will undoubtedly be a source of pride for parents and spectators regardless of the outcomes. We are grateful for those schools and facilities that hosted our tournament competitions and are thrilled with our hosts and Yale and know they will provide a great event worthy of the efforts of our competitors.

The CIAC Ice Hockey Committee has long stressed sportsmanship and appropriate behavior from our players, coaches, and fans, and we hope everyone will honor that commitment this weekend to allow the wonderful play and competition of these teams to be the focus. We congratulate all the teams that have made it this far, and wish all of them the best of luck.

Welcome to the CIAC Ice Hockey Championships as we witness the best there is in high school hockey.

Hobey Baker Character Award

Success in life, much like success in hockey, demands more than skill alone. It demands a positive attitude, strong work ethics, and a will to succeed. In 2003, we established the Hobey Baker High School Character Award to honor these players. Each year, a single senior hockey player is chosen by their school to be honored, and they receive a plaque, as well as the Hobey Baker Winner award.

It Starts With Character

CIAC ICE HOCKEY HONOREE

Robert Melanson

With Canadian roots, Robert Melanson was born with hockey in his blood. The fourth oldest of nine children, Rob grew up in Simsbury, Connecticut, where his father, Alfred Melanson, was one of the founding members of Simsbury Youth Hockey. In addition to Rob's hockey involvement, three brothers are current high school coaches.

Rob started playing hockey at a young age through to the Midget level where he excelled. After high school, Rob played junior hockey for two years. Still wanting to stay involved in the sport, he began volunteering as a referee for West Hartford Youth Hockey and playing in men's hockey leagues. Rob began officiating men's hockey league games and youth games when his construction work was slow. In 1982 he joined the local referee association, the Ice Hockey Officials of Northern Connecticut (IHONC). During the 1988-89 season Rob joined National Ice Hockey Officials Association (NIHOA). In 1992 he was selected to officiate college hockey. He loved traveling throughout New England, working Division I games and making great friends along the way.

Throughout this time Rob's involvement with NIHOA increased. He became the northern commissioner, then was elected the northern director. Rob subsequently served as vice president, president and referee in chief. As referee in chief, he worked with NIHOA, the Connecticut Interscholastic Athletic Conference (CIAC) and high school coaches to improve high school hockey. This was one of his most rewarding experiences of his officiating career.

Rob believes that a successful officiating career occurs when you love what you do, give 100%, be honest, and treat others the way you would want to be treated. When working a game, Rob demands of coaches and players: full communication, sportsmanship and absolute respect for each other.

In addition to officiating high school and college hockey, Rob has traveled to Finland, Czech Republic and Canada to officiate Standing Amputee Hockey World Games. He also had the opportunity of officiating at a Hartford Whalers Old Timers game where the late Gordie Howe was on the ice.

Rob is married to his high school sweetheart, Louise and lives in Bloomfield, Connecticut. They have four grown children and seven grandchildren. After battling cancer and receiving two knee replacements, Rob is back on the ice playing the game he loves and officiating hockey. Nothing keeps him away from the sport.

Today the CIAC Ice Hockey Committee is proud to honor Rob for his humility, complete dedication, leadership, respect and ongoing contributions as a member of the Connecticut's ice hockey community.

The Connecticut Association of Schools is proud to partner with the Connecticut Department of Transportation's Highway Safety Office. The goal of the Connecticut Highway Safety Program is to prevent roadway fatalities and injuries as a result of crashes related to driver behavior.

For the 2017-2018 high school athletic season, the Highway Safety Office will bring their 'Drive Sober or Get Pulled Over' and 'One Text or Call Could Wreck it All' messaging to state tournament games. We hope that by encouraging all athletes, families, fans and the entire community to drive sober and without distraction that we can help keep drivers and passengers safe and encourage responsible driving behavior.
