The Connecticut Association of Student Council invites student leaders, along with their advisers, to attend the **CASC Spring Convention “Unlocking your Leadership”** featuring national keynote speakers, on March 14, 2020 at Woodland Regional High School, Beacon Falls.
(Please see enclosed flyer.)

Join Student Leaders and advisors from across the state for a day of learning, inspiration, sharing, leadership and fun. During the day student leaders and advisors will have the opportunity to attend motivational speakers, large and small workshops, Resolution Sessions, as well as participate in a convention wide service project.

This Convention is unique in that it offers opportunities to authentically explore leadership and the democratic principles of our American government through Council/Government sponsored workshops and resolutions:

WORKSHOPS: Each Student Council/Government is asked to propose their own workshop to present, showcasing the skills, projects, program or values that they have, so that we can better understand and grow with each other.

RESOLUTIONS: Each Student Council/Government is encouraged to submit resolutions addressing issues and offering solutions to state or local issues that will be discussed and voted on at the Resolution Session. (Additional information is available)

Participants also have an opportunity to hear from student candidates to serve on the state board and to participate in the election of state officers. Finally, we will be celebrating the yearlong achievements of our student councils and of our talented student leaders.
