Dear High School Principal:

The Connecticut Association of Schools takes great pleasure in announcing the 26th Annual High School Arts Awards to honor Connecticut's outstanding high school visual and performing arts students. We invite you to select two outstanding seniors who excel in any of the performing and/or visual arts programs offered by your school. Outstanding ability in the performing and visual arts, scholarship, and leadership are of primary importance in making your selection. The honorees will receive certificates or plaques for excellence and distinguished service to their schools, and they will be celebrated at a virtual ceremony to be broadcast in early June 2021.

All schools must submit student names by **April 1, 2021**. It is imperative that you verify the spelling of your honorees' **first and last** names, as names will be printed on certificates or plaques as entered online. **No middle names/initials** will be included.

**SUBMISSION of NAMES:** To submit the names of your honorees and photographs of the students and/or their artwork, please visit our website at <http://cas.casciac.org/> and click on the  **Member Login** icon near the top of the Homepage.

- Enter School Number and Login ID
- Select "View/Submit HS Arts Submission Form"
- Enter required information and hit the "Submit Registration" button

Should you need to make any changes, you may log in to your membership page and edit your submission up until the deadline.

**IMPORTANT:** CAS' secure members-only portal should **ONLY** be accessed by the principal and/or individuals working directly in the principal's office. Therefore, we ask that department chairs/teachers in the various art departments **not** be assigned the responsibility for the submission of names.

We look forward to receiving your submission and providing this opportunity to recognize your most talented student artists.

Sincerely,

Bill Silva
