

# HIGH SCHOOL ARTS BANQUET ART EXHIBIT FORM

If one of your visual arts students is a recipient of an award, it is expected that he/she submit a 2D work of art for display at the banquet. Unfortunately, there is no secure place for 3D pieces, so all work must be 2D. **Work must be mounted (on a stiff board that will not buckle when hung) or framed. The piece must have an attached cord for hanging.** Attach the student's name, school, and phone number to the back. We ask for large pieces, no smaller than 12X18 if possible. The show must be hung the afternoon of the banquet, so it is imperative that each piece is properly prepared for hanging on hooks.

We have arranged the following regional drop-off points. Work can be left in the main office to the attention of the identified contact person. **Work must be dropped off at these regional locations by Friday, March 17<sup>th</sup>, as time is needed to collect the work from each area.**

*\*If you use CAS as a drop off, the deadline will be Friday, March 24, 2006*

Students will be responsible for taking the artwork home the evening of the banquet.

Our goal is to have every visual art award recipient represented in the show.

For additional information, or to set up a different drop-off location, call Maureen Berescik at 860-225-6351 and please leave your name, school, school and evening/home phone numbers.

When registering online for the banquet, please be sure to indicate drop off location. Please remind each student that he/she is responsible for removing their artwork the evening of the banquet.

DEADLINE MARCH 17, 2006

Thank you for your participation.
