“Making Your Mark” Leadership Principles to Meet the Challenge

In this powerful and high-energy presentation, Ed Gerety shares an important message about the power of respect for yourself and for one another, appreciation for our abilities and the people in our life, the impact of our choices and decisions, the courage to believe in yourself, and the power we have to reach out and make a difference.

“Leadership in Action” workshops will focus on learning skills that are essential to participants in setting and achieving their goals. Participants will learn how to maintain a positive attitude and take it to the next level. Three specific strategies will be taught to help students make choices that will bring them closer to their goals and dreams.
