CANHS News

Program Format

Feedback from last years' conference evaluation form recommended a program format that would engage students in discussion on various topics pertinent to student engagement in honor society activities. Table talk discussions facilitated by honor society students will be offered and students will be given the opportunity to share ideas with one another. Concluding discussion on topics listed in the program, each participating school will receive a print out of ideas/suggestions to support their individual chapter initiatives. Alice Mitchell, a consultant associated with the Berlin Public School System will kick off the program with a talk focused on motivating students—engagement and the importance of strengthening good listening skills.
