

# Annual Fall Conference

## October 19, 2010

### Engaging the New Generation of Learners

Addressing constant change is a daily requirement in our professional world. Meeting the needs of a changing student population, directing the infusion of technology into instruction, ensuring success for all, and moving our students to higher levels of achievement are now common mandates across Connecticut districts. **Please share with us your story of success in attempting to address these educational needs at our Annual Fall Conference.**

*Deadline for Presenter Application: July 15, 2010*

*Please fax this form to Erin Guarino at CAS 203-250-1345 or email to [eguarino@casciac.org](mailto:eguarino@casciac.org).*
