26th Annual

CHALLENGE TO EDUCATIONAL CITIZENSHIP AWARD PROGRAM

JUNE 10, 2021 | 10:00 AM
CONNECTICUT ASSOCIATION OF SCHOOLS | CHESHIRE CT

Introduction

The State Student Advisory Council on Education (SSACE) is pleased to offer schools throughout Connecticut the opportunity to apply for recognition in the 26th Annual Challenge to Educational Citizenship Award program. This program was the "brain child" of the 1996 edition of SSACE as a way of promoting citizenship through co-curricular programs.

Today, we honor forty winning entries that embody the spirit of citizenship and commitment to serving others, as well as altruism. Submitted projects were judged by the high school student members of this year's council. The submissions were evaluated on the basis of the depth, breadth, and quality of impact on others in the school community.

Schools were asked to reflect on the organizations within their school community. Do any epitomize exemplary civic awareness, cooperation, and boundless potential for community impact?
