

Second Annual
Moving from Compliance to Coherence Conference
Aligning Student and Educator Goals and Practices

Thursday, February 25, 2016

(Snow Date: March 7, 2016)

8:30 am-3:30 pm

Registration begins at 7:45 am

Crowne Plaza, Cromwell, CT

Developing a shared vision of aligned educator and student goals, instructional practices, professional learning, and other supports is essential to building a system that can support on-going teacher effectiveness and improved student outcomes. This conference will provide districts with the opportunity to engage with one another in sharing successful practices for aligning educator and student goals that link effective instruction to rigorous student learning standards.

Conference Strands:

- **Student Improvement** - Sessions in this strand will focus on goal setting, instructional practices, strategies and measures that support student learning through increased rigor, higher-order thinking skills, student engagement in the learning process, and instruction aligned with CT Core Standards and other relevant academic standards.
- **Professional Improvement** - Sessions in this strand will focus on educator goals, practices, strategies and measures that support and enhance instructional quality. Special attention will be paid to specific professional learning strategies aligned with Connecticut's Standards for Professional Learning and designed to improve student outcomes.

Audience: Districts are encouraged to register a team, which may include the Superintendent, a central office administrator, Principal/Assistant Principal, Instructional Coaches/Teacher Leaders, teachers and a member of the Professional Development and Evaluation Committee (PDEC). Please contact Deb Van Wyngaarden at dvanwyngaarden@crec.org or (860) 509-3687 with questions.

Registration Fee: \$85.00 per person or \$75.00 per person *for teams of three (3) or more from the same district/organization.*

Fee includes a light breakfast and lunch. Click [here](#) to register.

Sponsored by the Connecticut State Department of Education, in partnership with the RESC Alliance and the Connecticut Association of Schools.
