Glenn Lungarini
Executive Director
Connecticut Interscholastic Athletic Conference
30 Realty Drive
Cheshire, CT 06410

Dear Mr. Lungarini:

The Connecticut State Medical Society (CSMS) applauds the work and effort of its Medical Aspect of Sports Committee (Sports Medicine Committee).

CSMS supports the unanimous position of the Sports Medicine Committee that the return to sports plan developed by the Connecticut Interscholastic Athletic Conference (CIAC) is appropriate.

Should you have any further questions, please do not hesitate to contact me.

Regards,
