

**The CUREchief Foundation- has been selected as the adopted charity of the Connecticut Association of Schools~**

**A "CUREchief" is a soft bandana that is made through the help of volunteers and sent to cancer patients worldwide that are undergoing cancer treatment.**

**CUREchiefs are a symbol of HOPE.**

**As most of you know, CUREchiefs were recently part of the leadership conference held at Wesleyan University last March, several High Schools participated in a team building activity which included , cutting and packaging of CUREchiefs, schools also raised money , and donated new polar fleece material to our cause.**

**During the next month we are asking for your full support and the participation of *all High Schools in the State!***

**Your High School can help out in three ways:**

**1. Start collecting fabric (must be new polar fleece) can be purchased at your local Walmart Store. All colors and prints are fine.**

**\*\*Newington High is giving students who bring in fabric a raffle ticket to win a prize (free tickets to the Game etc..)**

**2. Collect Money, by getting creative , for example holding a penny war, collecting lose change etc...**

**\*\*Holy Cross High School raised \$500.00 hosting a penny war held during lunch waves at school!**

**3. Sell tickets to our fundraiser "a night at the RockCats" a Baseball Game to be held on June 11<sup>th</sup> (see attached flyer with additional information)**

**We would like your school to "deliver your collected fabric" to FILL THE BUS-Sponsored by Dattco Bus Company on June 11<sup>th</sup>!**

**Please see the attached Flyer with more info and feel free to call us with any questions at 1-866-868-CURE**

**Scroll down to the next page to see how to sell tickets to the Fundraiser and also benefit your club or school!**

## ***CUREchief Night at the Rock Cats***

Each High School that would like to participate should elect two School Ticket Captains (adult advisor and student leader).

The responsibility of the captains:

Making posters or advertising the event and promoting ticket sales at school. Challenging all clubs to sell tickets, so they can raise funds for their own club (for example cheerleaders, football team...etc..) or choose to raise funds for the whole school.

Selling ticket (vouchers) for \$7.50 per ticket. (their admission to the game)  
2.50 goes to CUREchief \* 2.50 your club/school\* 2.50 to the RockCats

Collecting the cash or checks (Make checks payable to the school) when the total amount is collected the captain will go online to [www.curechief.com](http://www.curechief.com) and scroll down to buy tickets online-they will go to a page that has been set up by the RockCats. They will order the tickets here and the tickets will be sent to their schools to distribute.

Please see the attached Rock Cats flyer and learn how your club or school will benefit by helping us sell tickets.

Hope to see you all at the game!

Sincerely,  
Sandy Centorino  
Founding Executive Director  
The CUREchief Foundation Inc.
