Plans are underway for the Annual C.A.S. Elementary Leadership Conferences and
WE NEED YOU!!!

We are seeking presenters who can provide talented 4th – 6th graders with interactive leadership lessons.

The goal is to enhance and improve student leadership skills in six areas: Problem Solving, Social Media Awareness, Mindfulness, Collaborative Thinking, Decision Making, STEM, and Communication. Each session runs one hour and is repeated three times.

You need not “re-invent the wheel” – rather – how about one of your favorite lessons and/or something that you can’t squeeze into an already over- crowded curriculum? We encourage lesson design that might improve the overall school climate, too!

On behalf of the CAS Elementary Leadership Committee we can’t **THANK YOU** enough!!!

If you think this opportunity may be beneficial to you and your overall professional growth, please complete our on-line presenter registration form by using this link <http://casci.ac/4814>.

We will be back in touch with you. If you have any questions or would like to discuss the program more thoroughly, please contact Cheresse Miller, Director of Student Activities at the Connecticut Association of Schools, via email cmiller@casciac.org or our program manager Anna Flores at aflores@casciac.org or 203-250-1111.

Best Regards,

Cheresse Miller
