SPORTSMANSHIP

Respect – Teamwork - Character

Share Your Stories...

CAS-CIAC is looking for great stories from Class Act Schools for one of our television media partners. We would appreciate learning about what schools and their councils are doing to promote good sportsmanship. Schools, coaches, athletic directors and student athletes will receive recognition on television spots and segments.

Ask Yourself...

What is your school doing to promote good sportsmanship?

Has a student gone above and beyond to help others?

What challenges did someone overcome?

How are the parents engaged and helping?
