Memorandum to: Honor Society Advisors Attending 15th Annual Conference

From: Don Gates, Executive Director—CANHS

RE: Advisor Workshop—May 20th with David Cordts

During our spring conference David Cordts, Associate Director of Student Activities from the National Office will conduct an advisor workshop for all Honor Society Advisors in attendance.

This year the focus on the workshop for advisors will be Chapter Bylaws.

Advisors are requested to bring to the conference a copy of their Chapter Bylaws.

Mr. Cordts will facilitate a collective review of bylaw contents. He will also be able to offer some points on language, format, content, etc as related to your school's chapter bylaws.

Concluding a review of chapters bylaws, advisors will return to their respective schools knowing that their policies and practices (chapter bylaws) are in line with recommended practices from the national office.
