## *Diversity in Action*

CAS Student Activities, in partnership with North Haven High, is pleased to announce the 4th annual "Diversity in Action Conference" on October 27, 2017. Also, supporting this work, is the inspirED initiative. This popular event will feature an introduction for high school teams to "inspirED", an educational program designed by teens, educators and researchers at Facebook and the Yale Center for Emotional Intelligence!

Participants will walk away with action plans, online platforms, and all the essential tools to create positive change and improve school climate in their respective school communities.

### *What is New this Year?*

Based on feedback from last year's conference all students will attend all breakout sessions. Advisors will also attend all session, working in an advisor only group. Plus, mentorships will be set up to support participants to take action back in their schools.

### *Goals of the Day:*

- Design and develop skills to help build a positive school climate
- Explore differences that bring us together
- Launch your inspirED Team Project
- Set up networking that is designed to develop action plans for immediate implementation

### *Workshop Topics Include:*

- Empathy Cards
- Hits & Handshakes
- Minority Garden
- Your Story
- Test Your Empathy Game
- Action Planning for Upcoming Year
