

# OCTOBER PRINCIPALS' ROUNDTABLE

*for Preschool & Kindergarten Administrators*

Thursday, October 1, 2020 | 9:00-10:30 AM

On October 1 at 9:00 am, the RESC Alliance, in collaboration with the CT State Department of Education and CAS, is hosting a 90-minute professional learning opportunity on special education services in today's context. Elementary principals, in partnership with their early childhood program leaders, are invited to join in a discussion on the legalities of special education and the responsibilities concerning the provision of specially designed instruction to young children, both in person and virtually. Participants will build their understanding of the purpose of specially designed instruction and how it fits into designing learning opportunities for young children.

This is a continuation of our monthly series of roundtable discussions for early childhood administrators. A schedule of roundtable meetings for the 2020-2021 school year will be sent out soon. Recordings of our prior sessions are available at the links below!
