

FALL STUDENT LEADERSHIP WEEK

Monday, November 1-Friday, November 5, 2010
A New Location Each Day!

FEATURING

Speaker: Bob Tryanski

homepage.mac.com/btryanski/BTP/college.html

If you had told Bob Tryanski twenty years ago that he would be living in Kansas, married to a vegetarian, and earning his living as a motivational speaker, he would have told you to have your head examined. Twenty years later, Bob has discovered that life's greatest joys are frequently found in the most unexpected places. The challenge to each of us is to remain open to the possibilities.

Bob has a rather unusual resume' for a motivational speaker. Like most of the people he meets each year, Bob has never won an Oscar, Grammy, or Super Bowl ring. He was not raised by wolves; his parents never set him on fire, and his life story will never be made into a Lifetime Movie of the Week.

Despite these professional setbacks, Bob has somehow managed to become a happy and successful human being anyway. His keynotes, workshops and seminars offer a refreshing corollary to conventional wisdom- you don't have to be a celebrity to be significant, and you don't have to be a superstar to be successful.
