

## Effective Schools Create:

- ✓ Continuous positive and active supervision of students
- ✓ Challenging and engaging instructional practices
- ✓ Active involvement of all students, faculty and community members
- ✓ A culture where adults model the same positive social behaviors expected of students
- ✓ Anti-bullying programs

## Sponsored By:

The Middlesex County Community Foundation and its Council of Business Partners in partnership with the Governor's Prevention Partnership and the Connecticut Association of Schools.

keeping kids safe, successful and drug free today  
for a stronger workforce tomorrow

## Workshop Presenters:

*Lisa Tregoning* is a program manager with the Governor's Prevention Partnership. The partnership is a statewide public-private alliance committed to building a strong healthy future workforce. Tregoning is the only certified trainer of the internationally recognized Olweus Bullying Prevention Program.

*Dave Maloney* is an Assistant Executive Director at the Connecticut Association of Schools. While an administrator at Branford High School Maloney was instrumental in developing a comprehensive positive school climate initiative. BHS was recognized by "Operation Respect" as one of four schools across the nation for creating and maintaining climates of respect.

Additional presenters include Washington Elementary, Waterbury; Memorial Elementary, East Hampton; John Winthrop Middle, Smith Middle, Middletown and East Hartford High Schools
