

HIGH SCHOOL BOARD OF CONTROL

Minutes

October 24, 2011

Members present: Beth Smith, Chair, Jason Beaudin, Paul Breton, Barbara Britton, Andre Hauser, Rita McDougald-Campbell, Susan McKernan, Deirdra Preis, and Janet Garagliano. Unable to attend: Kristina Martineau and Don Slater.

Larry Jacobsen and Jeff Cryan presented an overview of the process used to develop the Connecticut School Leader Standards. Following the presentation, Larry led the group through the rating process.

Comments and observations were insightful and helpful. Jeff recorded all comments and will bring them back to the CAS Critical Issues Committee. They will review the HSBC comments and use them to refine the document.

The HSBC is one of several groups asked to review and evaluate the standards. We are appreciative of the opportunity to have a voice in the development of this important document.

There was no other business at this meeting.

Next meeting: December 12, 2011; 3:30-5:00pm
