In addition to honoring assistant principals and their leadership, NAESP wishes to share their success by showcasing their best practices in a document for other assistant principals to utilize. A publication entitled "Top Tips for Assistant Principals" will be disseminated to all NAESP members either in print or electronic format. Public school elementary level assistant principals apply for the award via their state association. In order to assist in this process, NAESP will provide a small honorarium to each state. NAESP will also prepare a Certificate to be presented to each state's nominee. As a part of our sponsorship agreement, each state who participates will be contacted by a representative from VOYA.

The 2014-2015 program will begin September 1, 2014, and be completed by June 30, 2015. To be eligible for this program, applicants must complete the NAESP application and return it to their state affiliate in a timeline established by the state affiliate. Awardees could be announced whenever the process is completed and NAESP will send the certificate at that time. All selected awardees must submit a labeled professional, digital, photograph (a "headshot" with a plain, color background) at 300 dpi to state affiliates once he/she is named.
