**CIAC FORM FOR REPORTING OUT-OF-STATE GAMES**

It is required by all tournament committees that member schools report their out-of-state games to the CIAC office in order to obtain from these out-of-state schools their boy/girl enrollment for classification under the CIAC classification plan, or basketball tournament division, and to ascertain their standing as a member of their state association; also that they are an accredited school with their State Department of Education. The following information must be reported to comply with the rules for these sports, in full and signed by the principal, for these sports as follows:

Soccer before October 1 _____	Basketball before December 1 _____
Football before October 1 _____	Baseball before April 1 _____
Other Sports _____	

Using separate form for each sport, check the sport you are reporting. Boy or girl enrollment should be listed -- boys enrollment for boys sport / girls enrollment for girls sport.
