

WEBINAR SERIES

March 25, 2020

As Connecticut responds to the COVID-19 pandemic, businesses and individuals are faced with a myriad of questions. The attorneys at Pullman & Comley, LLC have been actively monitoring the pronouncements by state and federal officials and assessing the legal implications for you and your business. Over the coming weeks, we will be providing information that can help our clients develop more-informed responses to the COVID-19 pandemic. Given the speed with which pronouncements are coming, our team has two unique webinars scheduled for this week.
