

SAVE THE DATE

The Student Activity Division of CAS is pleased to announce that a State Robotics Championship for High School teams will be held at the ***Hartford Armory on May 11, 2013.***

CAS is pleased to partner with Connecticut *FIRST*, a recognized leader in robotics competitions.

Special thanks to our lead sponsor CL&P for making this inaugural event possible.

Registration is ***only open*** to teams that have built a robot within the FIRST Robotics Competition.

Schools who have participated in the FIRST Tech Challenge will not be eligible to register.

While registration is limited, we invite and encourage ALL High Schools and their students to attend this event.

Look for more information and registration materials on this fantastic event to arrive soon.
