

## Center for Leadership and Innovation

### **Come and Join your Colleagues in Discussion and Networking CAS Kicks Off Elementary Round-Table Discussions Choose a Discussion Near You!**

Across Connecticut, Elementary Administrators are doing incredible work. The Connecticut Association of Schools Center for Leadership and Innovation is providing opportunities for elementary administrators to share their good work and learn from each other through regional round-table discussions.

The first topic will be **“Promoting Positive School Climate.”**

Attendance is free and each discussion is scheduled from 9:30 a.m. to 12:00 p.m. with an overview from the host followed by a tour of the school and group discussion. Please let us know if you are able to attend one of these sessions by using the following link to register: <http://casci.ac/2869>.
