

STUDENT ATHLETIC ADVISORY BOARD

Introducing...

CAS-CIAC is excited to announce the creation of a new Student Athletic Advisory Board. An offshoot of the successful “Class Act Schools” initiative, the statewide advisory board will empower students to promote good sportsmanship within their leagues and to address other issues regarding athletics.

In addition, students will be able to share their respective experiences and highlights so that they can learn from each other and take great ideas back to their own leagues. Students will now have a voice to promote and improve respect, teamwork, and character in all of our Class Act schools and beyond.

Selections should be made by league commissioner and athletic directors by October 23, 2018
