

CT State Student Advisory Council on Education Announces

CT SEES

April 2018

Let's make our schools SAFER and MORE INCLUSIVE!

Mission statement: Connecticut students see the world, see its problems, and see the need for change. Focusing on kindness and inclusivity is the core of violence prevention and improving school climate. We encourage school and student leaders to choose a week in April to hold CT Sees Week in their own district.

Goals of CT SEES:

- 1) Encourage Positive School Climate
- 2) Raise Awareness for Violence Prevention
- 3) Emphasize Importance of Kindness

Instructions: Share the themes with your student body and decide how to focus on the various ideas—perhaps a panel discussion or activities hosted by various clubs. Each day of CT SEES week is also assigned a color(s)—tweet photos of your students wearing the color(s) and taking part in the daily theme @CAS_CT with the hashtags below!

The top member schools with the MOST POSTS AND MOST LIKES will be invited to CAS for a forum about school inclusivity.

CT Sees Twitter Challenge

Monday: Teamwork, WHITE OUT

Tuesday: Strength & Empathy, PINK/ RED

Wednesday: Involvement & Support, BLACK-OUT

Thursday: Diversity, TIE-DYE

Friday: Kindness, MAROON AND SILVER— STONEMAN DOUGLAS COLORS

We want to see your creativity shine! Share your ideas with us, please.
