

Stand UP & Speak OUT, the regional bully prevention musical production, now in its 8th year, is seeking talented, serious musical theatre performers ages 13-24 who can sing and act and are looking to use their talent to better the community! This musical group will act as ambassadors for schools and organizations by performing productions and numbers from the Stand UP & Speak OUT at community events, fundraisers, special events, and festivals around Connecticut. This is a great opportunity to gain exposure AND help create awareness about the importance of Empathy, Connection, Kindness, and Inclusion. Please prepare 30-60 seconds of a song that shows off your vocal range and personality and send to susosing@gmail.com.
