

# Advance your Career in education.

For Connecticut educators aspiring to advance their careers and serve in roles as assistant principals, principals, or district-level administrators, the University of Connecticut Administrator Preparation Program (UCAPP) offers an educational leadership program through the Neag School of Education designed to prepare qualified and capable school leaders for all Connecticut schools.

Graduates are awarded a Sixth-Year Diploma in educational administration and are eligible for the (092) certification endorsement as an intermediate administrator in the state of Connecticut. Join one of our upcoming information sessions to learn more.
