## Do you know an outstanding elementary school principal?

The Connecticut Association of Schools (CAS) has opened nominations for the *2009 National Distinguished Principal Award*. This award is designed to recognize outstanding elementary school principals who have demonstrated extraordinary leadership, a passion for educational excellence, a commitment to their students and staff, and service to their communities.

If you feel that an elementary principal in your system is eligible for this honor (see criteria below), please complete a nomination form and return it over the superintendent's signature **NO LATER THAN DECEMBER 15, 2008**. **Please include two one-page letters of recommendation and a copy of the nominee's résumé with the nomination form.** (*NOTE: Only two letters of recommendation will be accepted. Nominations submitted with more than two letters - or with letters that exceed the one-page limit - will not be considered.*)

The letters of recommendation should be written with a mind to the selection criteria listed below. These letters should be of not more than one page each and should outline how the principal's leadership has created an effective learning community affecting staff morale, community support and student interest and achievement. Please note that one of the letters should be from a school administrator or a faculty member. The second letter may come from a faculty member, a parent or a community representative. **Please remember to attach a brief copy of your nominee's résumé to the nomination form.** (The nomination form can be downloaded from the CAS website at [http://www.casciac.org/pdfs/ndp\\_nom\\_form\\_09.pdf](http://www.casciac.org/pdfs/ndp_nom_form_09.pdf).)

Finalists will be chosen from the pool of nominees by the CAS National Distinguished Principal Selection Committee. The finalists will be asked to complete an award application packet and to submit a portfolio. The applications/portfolios will be due at CAS in early March, 2009. The committee will select the state honoree after reviewing the finalists' applications/portfolios and visiting their respective schools.

*All nominees must be members of CAS and have at least five years of experience as a school principal. The individual selected for the award must be an active administrator in Connecticut during the year in which he or she will receive the award (the 2009-2010 school year).*
