## **"It's Cool To Care"**

EIGHTH ANNUAL  
ENVIRONMENTAL AWARENESS  
CONFERENCE FOR  
5th & 6th Grade Students

**Thursday, March 23, 2000**  
Central Connecticut State University  
**9:00 a.m. – 3:00 p.m.**

## THE REASONS WHY

The purpose of this conference is to provide students with an awareness of environmental issues as they directly relate to their lives. Each student will be individually scheduled to participate in a series of four workshops presented by school teachers, university personnel, students, and environmental educators. These workshops will promote a greater understanding of the challenges our youth must face now and in the future regarding our endangered environment.

---

***Each student must bring lunch and a snack. The committee encourages each student to pack a lunch that will generate the least amount of trash. Bring your own beverage (no glass containers). Students should dress for hands-on activities, i.e. outdoors, on classroom floor, etc.***

***Many materials will be distributed at the workshops. Each student is requested to bring a backpack or similar carrying bag.***
