WELCOME TO THE 2022 CIAC ICE HOCKEY CHAMPIONSHIPS

The Connecticut Interscholastic Athletic Conference was founded in 1921 to protect the interests of high school student athletes, promote healthy and fair competition among high schools, and develop and enforce a common set of rules for eligibility. Since its inception, the CIAC's role and responsibilities have greatly expanded as the number of high school sports and participating schools has exponentially grown. One sport that has seen such growth is the sport of ice hockey. From a sport of less than ten high schools in the 1940's, ice hockey now has 55 participating high schools and its boys ice hockey tournament has become one of the marquee events in Connecticut high school sports today.

It is a privilege and honor to serve as chairman of the CIAC Ice Hockey Committee. The committee is a broad-based committee comprised of a CIAC representative, administrators and coaches who devote many hours to advance a sport that they love and are extremely passionate about. Committee members are extremely proud of every participating team player and team, and respect their dedication, hard work, and sportsmanship that they display throughout the season. We congratulate them and wish them the best of luck!

We would also like to thank to our tournament host rinks and extend a special thanks to Quinnipiac University for hosting this year's divisional finals. I am sure that all players and fans are excited to play in a first-class facility that hosts a team that is a legitimate Division I NCAA champion contender.

Welcome to the CIAC Ice Hockey Championships!

Ken Henrici
Chairman
CIAC Ice Hockey Committee

The CIAC is proud to continue its partnership with the Connecticut Department of Transportation's Highway Safety Office.

The goal of the Highway Safety Office is to prevent roadway crashes and fatalities as a result of driver behavior.

The CIAC will feature safe driving messages at state tournament games to encourage all athletes, families, fans and the entire community to drive safely and responsibly.

2022 CIAC ICE HOCKEY HONOREE THOMAS NAEGLE

Dr. Thomas Neagle has over forty years of educational leadership experience in both private and public schools in Connecticut. Throughout his years as a school administrator, he was a dedicated and influential member of CAS-CIAC, serving in several prominent leadership roles, including chair of the CIAC Eligibility Committee, the Out of Season Coaching Committee and the Season Limitation Committee. It is, however, his thirty-one years as member and chair of the CIAC Ice Hockey Committee which comprise his greatest contributions and reflect his richest legacy. His impact on the sport of CIAC ice hockey can still be felt today.

Dr. Neagle, or “Mr. Hockey”, as he was known at Notre Dame West Haven, began serving on the Ice Hockey Committee in 1988.

His involvement and passion for the sport can be traced to his days at Notre Dame West Haven, when the school’s young athletic director (Joe Tonelli) asked the administration for more oversight at games. Dr. Neagle’s oversight role at games turned into a love of the game and eventually landed him on the CIAC Ice Hockey Committee. He served as the chair of the committee from 1996-2019 and his tireless efforts helped to advance the sport of ice hockey and bring it to the level of prestige it now enjoys. Dr. Neagle’s contribution to interscholastic ice hockey and his impact on the thousands of athletes who play the sport, are so great that it would be impossible to capture them here.

Dr. Neagle views serving on the CIAC Ice Hockey Committee as one of the highlights of his career in education. Sports in general are a great avenue for student athletes to be engaged in their school community. For Dr. Neagle, the ice hockey community is a fraternity, which includes student athletes, coaches, officials, and spectators. He loves walking into a rink and greeting all of the people who make up this fraternity. Dr. Neagle values the relationships with friends and colleagues that have developed through the years because of the sport. Although he does not like the cold weather, he believes the only redeeming part of the winter is ice hockey.

The CIAC Ice Hockey Committee is proud to honor Dr. Thomas Neagle for his leadership, passion, and service to the high school ice hockey community, both on and off the ice.
