I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).

This form is intended for use by healthcare providers, schools, and athletes to document the results of a preparticipation physical examination. It includes sections for the athlete’s identification, physical examination results, and emergency information. The form is designed to ensure that athletes receive proper clearance for their sports participation and that any necessary restrictions or recommendations are noted. The included section for emergency information allows for the documentation of relevant medical history and emergency contact details.
