

DON'T MISS OUT ON THE INAUGURAL HIGH SCHOOL ROBOTICS CHAMPIONSHIP!

Registration is open for the State Robotics Championship for High School teams, to be held at the Hartford Armory on May 11, 2013.

Registration is **only open** to teams that have built a robot within the FIRST Robotics Competition.

Schools who have participated in the FIRST Tech Challenge will not be eligible to register.

While registration is limited, we invite and encourage ALL High Schools and their students to attend this event.

Special thanks to our lead sponsor CL&P for making this inaugural event possible.

Registration is open at: <https://www.casciac.org/scripts/register.cgi>
