THE CONNECTICUT ASSOCIATION OF HIGH SCHOOL PRINCIPALS

John Wallace Scholarship Awards

The purpose of the John Wallace Scholarships are:

1. to recognize eligible graduate students preparing to become a school principal.
2. to recognize eligible undergraduate or graduate students preparing to become a teacher.

APPLICATION INFORMATION

Each applicant will complete an application and submit a reference letter from his/her professional supervisor.

The John Wallace Scholarships are for eligible undergraduate or graduate students studying in accredited higher education institutions.

The selected scholarship recipients will <u>not</u> complete his/her program in the year in which the scholarship is awarded.

The Wallace Scholarships are open to candidates who are associated with a CAS member school (either themselves or through a parent or guardian).

PROCESS FOR SELECTION

The CAHSP Chair will appoint a selection committee with a chairperson and at least two other principals.

The committee will meet to review and evaluate nomination materials and select a winner.

An assessment sheet with criteria and performance indicators are used throughout the process.

Finalists may be interviewed using questions and a rating sheet developed by the committee.

If the committee does not locate suitable candidates, it should not submit a nominee for that year.

All nominees will be notified in writing of the results.
