

WRESTLING COMMITTEE MINUTES
April 24, 2018

Present: Chris Gamble, Steve Merlino, Dave Nowakowski, Derek Dion, Pat Risley, Dave Green, Desi Kaplan, Roy Wentworth, Bob Lehr.

Desi Kaplan provided a presentation on Flo wrestling and its recent updates. Instead of being available for tournaments exclusively, it is now available for regular season use. Desi agreed to make a presentation to coaches at the conclusion of the November 19 meeting. A final discussion on how to best utilize Flo wrestling will take place at the September wrestling committee meeting.

Review of the 2018 Tournament: Motion by Steve Merlino and seconded by Pat Risley – first, third and fifth places will take place simultaneously at the Open Meet as well as Divisionals, if practical and possible. Motion passed.

The use of a different venue for the Open was discussed; however, the use of most facilities is not possible as they need to be reserved for basketball playoff games.

Dave Nowakowski presented information on a dual meet championship. That will be discussed at the September meeting.

A proposal to permit coaches to have contact with their team members in wrestling during the summer will be presented to the CAAD Executive Board on Wednesday, May 2, 2018.
