PART I - CIAC ALERTS

LAST DAY TO COUNT START TIME

NO GAMES WHICH BEGIN AFTER 4:00 P.M. ON MAY 22 WILL COUNT FOR TOURNAMENT (2.5 and 9.4 in tournament packet) AND NO GAME MAY START AND BE SUSPENDED EXCEPT FOR INCLEMENT WEATHER.

ALL SCHEDULED GAMES MUST BE PLAYED

Every effort must be made to play all scheduled games, including postponements. If there is reason to believe that a game has been cancelled without just cause, the CIAC Baseball Committee will investigate the matter and the schools involved could be subject to further disciplinary action.

NIGHT GAMES

NIGHT GAMES IN THE QUALIFYING, FIRST AND SECOND ROUNDS MUST HAVE THE TOURNAMENT DIRECTOR'S PERMISSION. NIGHT GAMES DURING THE SECOND ROUND WILL NOT BE PERMITTED UNLESS THERE IS AN EXTENUATING CIRCUMSTANCE APPROVED BY THE TOURNAMENT DIRECTOR.

REGULAR SEASON GAME ENDING PROCEDURE

All games in the regular season will use this game ending procedure:

- Rule 4-2-1, 2, 3 & 4 during the regular season, a "regulation game" (4 ½ innings if the home team is ahead – 5 full innings if the visiting team is ahead) called for any reason (other than a forfeit) WHERE A WINNER CANNOT BE DETERMINED (Rule 4-2-2) shall be treated as a suspended game and shall be completed at some later date.

The tournament game ending procedure is different – see rule 7.2.a

TOURNAMENT GAME ENDING PROCEDURE

Unlike regular season games – ALL TOURNAMENT GAMES MUST COMPLETE 7 INNINGS. See Rule 7.2.A. in the tournament packet.

PROFESSIONAL TEAM TRYOUTS

The CIAC Board has reaffirmed its position of not permitting CIAC athletes to practice or "try out" with any professional sports team during the defined sports season. A "work out" is interpreted as a "try out" and therefore is not an exception to the regulation.

BASEBALL OFFICIALS REGARDING POSTPONED GAMES

Weather or Emergency Related Postponements -- If a school official is unable to reach the assigned official by phone a minimum of two (2) hours before a game time, the school should contact the Commissioner assigning the official, or the individual designated to fulfill this responsibility and notify that person of the cancellation. If this is done, the school's obligation to notify officials will be fulfilled. Failure to do so will require full payment of the game fee.

Non-Emergency Related Postponements -- Games canceled for non-emergency related reasons must be done 24 hours in advance of the scheduled game time. The school should contact the Commissioner assigning the official or the individual designated to fulfill this responsibility and notify that person of the cancellation. If this is done, the school's obligation to notify officials will be fulfilled. Failure to do so will require full payment of the game fee.

CIAC PITCHING RULE

The pitcher may not pitch more than ten (10) innings in any three (3) consecutive calendar days. To determine the eligible number of innings that a pitcher may pitch on game day, total the number of innings pitched during the two previous calendar days and subtract from ten (10). Ten innings are equal to thirty outs.

Penalty for Pitching Violation -- A pitcher in violation will be ejected for the remainder of the game in which the violation occurs as well as the next entire game. The player ejected as a result of violating this rule is ejected as a player as well and may not participate in any other position other until the penalty is fully served. If the violation is discovered after the conclusion of the contest, the player is suspended for the following contest.

REGULAR SEASON EXTRA HITTER RULE
(SUB-VARSITY GAMES ONLY)

The National Federation has permitted the CIAC Baseball Committee to experiment with the “Extra Hitter Rule” for the 2008 baseball season for **SUB-VARSITY GAMES ONLY**.

2. The Extra Hitter Rule may be implemented at the discretion of each coach. Both coaches must be in agreement to use the EH before each game. If one coach is opposed to the use of the EH, the EH will NOT be used by either team. It may be used by only one team as long as both coaches are in agreement.
3. The umpire must be notified before the start of each game.
4. The EH (sub varsity games only)
 - a. is the 10th batter in the line-up.
 - b. may bat in any spot in the batting order
 - c. may not be used as a defensive player
 - d. may be used in addition to the designated hitter thus giving 11 players the opportunity to participate
 - e. is considered a starter, and may be substituted for, and may re-enter the game once under the re-entry rule

Note: Participating teams are asked to keep official data on the number of times / games the EH is used. The Baseball Committee will review this data, and the comments of coaches for future considerations.

PART II – TOURNAMENT PREPARATION

1.0 QUALIFYING

- 1.1 To be eligible for consideration in the tournament, a team must play a minimum of twelve (12) games AGAINST VARSITY OPPONENTS and have won 40% of its approved scheduled games played. Only the first two games played with any single opponent will be included in the twelve (12) games.
- 1.2 Only games played with Conference member schools, American School for the Deaf, or Region I out-of-state schools who are members of their state athletic association shall be considered. Games with out-of-state schools must be reported to the Executive Director not later than April 2, 2008. Failure to comply with this rule will result in the unreported out-of-state game being counted as a loss.
- 1.3 Games played with non-member Connecticut secondary schools shall not be considered in the rating of teams.

2.0 FORFEITS

- 2.1 Member schools will be required to submit regular season schedules for team sports controlled by CIAC in which member schools participate. Determination of forfeitures will be based on this schedule.

A forfeit game shall count as a victory for the team declared the winner and as a loss for the team declared a loser in determining tournament qualifications and ratings. For tournament qualifications only the following reasons for a forfeit shall be accepted.
- 2.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.
- 2.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a National Federation rule violation, or a team refuses to play after being instructed to do so by the game official.
- 2.4 Forfeitures will be honored by each CIAC sports committee when there is mutual agreement between the Principals of the two schools involved in the game not played. Each Principal must submit on the official CIAC Canceled Game - Forfeiture Form his/her decision and it must be received in the CIAC office within 72 hours following the time of the scheduled contest. On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his designee, in consultation with the Chairman of the sports committee affected and the Principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.
- 2.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and ratings unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.

3.0 DIVISIONS

- 3.1 Only institutional members of the Conference may enter this tournament which will be in four (4) divisions. Placement of schools has been based on the boy enrollment as shown in the 2006-07 CIAC Membership Directory.

10.0 OFFICIALS

- 10.1 Each varsity head coach must electronically file the selection of official's form **via the password-protected online eligibility center** -- by May 1, 2008. From these ballots and the names submitted by each board, a list of tournament caliber officials will be developed and used for assignment purposes. You are invited to submit a maximum of eight (8) umpires from the Board that services your home games during the regular season. You are also encouraged to list a maximum of three (3) umpires from any other Board(s) that you believe are tournament caliber officials. In addition, **at this time only**, you have the option to identify no more than two (2) umpires whose services you prefer not to have, **STARTING WITH THE QUARTER-FINAL ROUND**.
- 10.2 **The Commissioner of the local board that services the higher ranked team will assign two (2) or three (3) umpires for all qualifying, first and second round games played at the site of the home team. The home team must notify the Commissioner on the day the pairings are released to confirm the details of the game and to request that umpires be assigned. Since the official's fees, prior to the quarter-finals, are the responsibility of the home team, the decision to use two or three umpires rests with the home team.**
- 10.3 From the preliminary round tournament list and based on the coaches ballots, a smaller Master List of umpires is developed which is used by the coordinator of officials in making assignments. Starting with the quarter-final games, the CIAC officials coordinator will assign the umpires, using the smaller master list as the source. Three (3) umpires will be assigned in the quarter-final and semi-final games and four (4) man crews will be used in the championship games. The local commissioners will assign two (2) or three (3) umpires for all preliminary round games as specified by the home team.
- 10.4 During tournament play no official is to work more than one game each day. Exception: an official may complete a game not already scheduled on a day he is assigned a game.
- 10.5 Identity of the umpires assigned by the coordinator of officials will not be disclosed prior to the game.
- 10.6 Coaches are reminded that open criticism of officials to the media is not appropriate. The baseball committee perceives such comments as a detriment to the tournament.

11.0 SUPERVISION/SPORTSMANSHIP

- 11.1 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director.
- 11.2 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.
- 11.3 Use of tobacco products and controlled substances or possession of alcoholic beverages of any kind, including champagne, are not permitted on the field of play, including dugouts, or within the field or park at which a tournament game is scheduled. Many towns, or fields which we use have local ordinances prohibiting use of tobacco products and controlled substances or possession of alcoholic beverages. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.
- 11.4 **Bench and Field Conduct**

Personnel -- Only coaches, players, other team members, statisticians, managers and trainers will be allowed in the dugout or bench area.

Conduct -- The above identified personnel shall not be outside the designated dugout (bench) or bull pen area if not a batter, runner, on-deck batter, in the coach's box or one of the nine players on defense.

- 11.5 **Disqualification and Ejections** -- When an athlete is disqualified during a contest for flagrant or unsportsmanlike misconduct, that athlete is ineligible to participate in any contest until withheld from the next contest at that level of play. (REFER TO CIAC DISQUALIFICATION/EJECTION RULE -- TAUNTING)

When a coach is disqualified during a contest for flagrant or unsportsmanlike misconduct that coach shall be prohibited by his/her school from coaching or attending a contest until withheld from the next contest at that level of play.

Whenever there is an ejection in a tournament game the schools whose player/coach is involved must submit a written report to the CIAC tournament director within 48 hours describing the incident and what steps the school has taken. It should be understood that depending upon the seriousness of the infraction and the manner in which the school has dealt with it, the CIAC Baseball Committee may recommend to the CIAC Board of Control additional sanctions.

12.0 **PROTESTS**

- 12.1 Each sports committee will establish a protest committee whose purpose will be to adjudicate all protests relating to the operation of the tournament, including the application and administration of tournament regulations. National Federation or CIAC game rule interpretations and game officials judgments cannot be protested. The Protest Committee for each sport shall consist of the Assistant Executive Director for CIAC, the Chairman of the Tournament Committee, an administrator member of the sports committee, the Tournament Director, and the Coaches' Chairman on the sport committee. All Protest Committee decisions are appealable to the CIAC Board of Control as provided in the CIAC By-laws.
- 12.2 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.
- 12.3 **DECISIONS BY GAME OFFICIALS** -- Protests arising from the decisions, interpretations and misapplication of the National Federation or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final.

The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.

Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by the Conference.

PART IV – REGULATIONS FOR CONDITIONING WEEK – DRILLS

REGULATIONS FOR CONDITIONING WEEK FOR BASEBALL PITCHERS

1. Baseball conditioning for pitchers may be conducted for five (5) days (Monday through Friday) the week prior to the first date for baseball practice as designated by the CIAC.
2. Only one session per day is permitted; the maximum length of the session is one hour and 30 minutes (1-1/2 hours).
3. The program must be conducted indoors.
4. The conditioning program is limited to eight (8) pitchers and four (4) catchers in grades 9 through 12. This limits the number of participants to 12 per school with no substitutions for absentees or drop outs allowed. Winter sport athletes still in season are ineligible to take part in this program.
5. Balls, gloves and full catchers protective equipment are the only equipment permitted. (Bats, batting tees, fungos, batting cages, pitching machines, etc., are strictly prohibited.)
6. The program may only consist of warm-ups, stretching, calisthenics, weight training, running, other conditioning exercises and throwing. Throwing is permitted only because it is an important aspect of conditioning the arm.

NOTE: *It is not the intention of this program to work on fielding, covering bases, pick-offs or any other related fundamentals, and therefore, these type drills are strictly prohibited. Also, it cannot be used as a tryout and team cuts are not permitted.*

7. A coach must be present at all conditioning sessions.

SAFETY PRECAUTIONS: Catchers should wear full protective equipment and do not use anyone to assume a batters position while pitchers are throwing, since although pitching control may be an outcome of the program, it is not a program objective.

Member schools found in violation of the above rules will be subject to disciplinary review by the CIAC Baseball Committee and could result in action by the CIAC Board of Control.

A SOUND PROGRAM FOR PITCHERS

Through the combined efforts of Dr. Norman Zlotsky, Orthopedic Surgeon and CIAC Medical Consultant and UConn Baseball Coach Andy Baylock, one of the most respected pitching instructors in the country, this information is being made available to all Connecticut High School baseball coaches. The information deals with some important facts about the arm, lead-up drills which teach the proper mechanics of pitching, a series of stretching and arm strengthening exercises designed by Dr. Frank Jobe, (LA Dodgers Team Physician) and a sample one week conditioning program for pitchers which should assist coaches in developing a sound program in their individual schools.

Important Facts About the High School Pitchers Arm

1. Their bones are not fully developed and therefore, they are more susceptible to overuse injuries.
2. Arm problems are usually caused by poor mechanics, throwing too hard too soon, throwing too many pitches too soon, throwing too many at one time or inadequate rest. The cold weather is also a contributing factor.
3. Most injuries can be prevented with adequate training, proper stretching and adequate warm-up.
4. Proper throwing mechanics will relieve stress and strain on the arm, elbow and shoulder.

5. The more overhand the person throws the less likely he is to have arm problems.
6. All pitchers must have a conditioning program and the coach should control how much the youngster throws and how often.
7. It is a good idea to ice the arm after a significant amount of throwing.

LEAD-UP DRILLS TO TEACH THE PROPER MECHANICS OF THROWING

Proper throwing involves a chain reaction of all bodily parts. The proper synchronization of these parts will allow a pitcher to throw free and easy with the least amount of stress and strain on the arm, elbow and shoulder. The lead-up drills which follow provide a step-by-step approach to teaching the necessary skills in a progressive fashion. All these drills are done in pairs with and without the ball.

STEP 1 -- POSITION -- Seated on ground with legs crossed. This position allows us to isolate the upper part of the body. The main fundamental we are working on here is closing the front shoulder and pointing it at the target. (AIM THE GUN) This will automatically rotate the hip.

Sequence -- Close front shoulder; take ball out of glove with palm down; circle the arm/shoulder; glove out - glove in; release ball and let your arm follow through across your body.

STEP 2 -- POSITION -- Kneeling on both knees with back slightly flexed. This position allows a full sweep in taking the ball out of the glove and circling the arm/shoulder. Also, it allows a little more of the body into the throw. The main fundamental we are emphasizing here is a longer arm action by making a full circle with the arm/shoulder. While emphasizing this fundamental you repeat the same sequence described in Step 1. This is a good drill for flexibility when not using the ball.

STEP 3 -- POSITION -- Kneeling on one knee while pointing the toe of your stride foot toward the target. The knee of the stride leg should be flexed. The main fundamental we are emphasizing here is that the direction of your stride foot will dictate where the pitch will go. Follow the same sequence as described in Step 1 and remember to follow through by letting your arm come across your body finishing up outside the flexed knee of the stride leg.

STEP 4 -- POSITION -- Standing sideways with your stride foot pointing toward your target and both knees flexed in a TWO POINT POSITION. The main fundamental we are teaching here is to roll your back foot completely over when making the pitch so your arm will come all the way through. By using the lower body more in making the pitch you save the arm. Again, the sequence is the same as in Step 1.

STEP 5 -- POSITION -- Your pivot foot is on the rubber, your front shoulder is closed and your stride foot is flexed and raised in the "BALANCED POSITION". This drill emphasizes proper balance and the correct timing at the release point. If your pitching motion is in 'sync' the ball will be released at the same time your flexed stride leg lands on the ground. In other words, you want to have the bottom half of your body drag the top half around in making the pitch and thereby relieve as much stress as possible from the arm, elbow and shoulder.

LET'S PUT IT ALL TOGETHER

1. Close your front shoulder aiming it at the target;
2. Take the ball out of the glove with palm down;
3. Make a full circle with your arm and shoulder which brings you to the release point;
4. As you arrive at the release point your stride foot will be landing and your glove will be out;
5. As you pull your glove in, you will be releasing the ball and you will roll your back foot completely over.

This will allow for a full range of motion from the second your arm starts to the point when you complete your follow through.

NOTE: FOR BEST RESULTS, YOU SHOULD DO THE COMPLETE SET OF LEAD-UP DRILLS WITHOUT THE BALL AND THEN DO THEM WITH THE BALL. WHEN USING THE BALL YOU SHOULD BE 20 FEET APART INCREASING TO 45 AS YOU PROGRESS.

BASEBALL TOURNAMENT FORMS LISTING

All tournament forms must be submitted via the online eligibility center section of the CIAC website located at <http://www.casciac.org/elig/eligibility.cgi>. This area of the site requires the school's username and password for entry.

Worksheets for collecting the information needed to submit the online forms can be found on the following pages. These worksheets are intended for giving to coaches to provide information for submission to the school officials who will be filing the information online. Under no circumstances will printed forms be accepted in lieu of submissions via the eligibility center.

The following forms must be submitted for the sport of baseball:

1. Officials Selection
2. Change of Division - Optional
3. Tournament Roster*
4. Game Results*&

* For these forms, you may find it easier to print out a copy of the actual web form, instead of using the worksheet, since the web form will be filled in with your eligible players and/or game schedule. Any form in the online eligibility center can be printed without being submitted.

& Results must be reported on a weekly basis (all scores through a Saturday must be entered no later than the following Monday).

If schools choose to do so, they may set up access codes which allow coaches to enter game results without having the main school eligibility center password. Access codes can be set up in the online eligibility center by selecting the appropriate option from the "Administrative Actions" menu. Once the code is setup and the schedule is entered in the eligibility center, results may then be entered at http://www.casciac.org/scripts/submit_scores.cgi.
