SITES FOR BOYS AND GIRLS BASKETBALL FINALS

The CIAC Board of Control, at their September 25, 2008 meeting, voted to enter into an agreement with the Mohegan Sun to hold the boys and girls basketball finals at the Mohegan Sun Arena on March 20-21, 2009. The schedule of games will be announced.

COVER LETTER

The CIAC Board of Control directed the boy's basketball committee to re-evaluate the present tournament structure and to address various issues and concerns raised by member school principals, athletic directors, coaches and the public, especially the issue of manipulation of schedules to gain an unfair advantage. As a result, the CIAC boy's basketball committee and tournament director Robert Cecchini proposed to the CIAC Board of Control a new format for the 2006-2007 Boy's Basketball Tournament. This format will be continued in 2008-2009

Under the new format the tournament classes (LL, L, M, S) will be established using the following criteria:

1. Enrollment – boys enrolled in grades 9, 10, 11, 12 as of October 1, 2007.
2. Enrollment with a multiplier of 2 x boys enrolled in grades 9, 10, 11, 12 for State defined schools of choice (except vocational technical and vocational agriculture/aquaculture high schools) and all member tuition high schools. Choice programs that are housed in a member school where the out-of-district students attending the choice program participate in athletics at the member school are subject to the multiplier for the out-of-district students.
3. A weighted factor* for schools that advanced to the semi-finals or finals in the State Tournament over the past four years. Points earned will be added to the school's base enrollment.

*** Factor (over the past four years)**

- 10 points added each time a team reaches the semi-finals
- 25 points added each time a team reaches the finals
- 50 points added each time a team won the championship

Tournament classes will be distributed after enrollment (plus factor) is determined. **A team may "opt-up" to the LL tournament for a one year period.** Request to move up must be received in writing by October 25, 2008. Classes (L, M and S) will not be re-balanced if schools opt to move up.

The CIAC Board of Control approved the recommendations of the boy's basketball committee at their June 2006 meeting.

4. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a finals that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

5. The following procedures will be used to break a tie in the rankings:
 - a. Head-to-head
 - b. Most number of wins in the highest classification
 - c. Electronically by lot

Head-to-head will be used as the first criteria to break a tie between two teams with identical records and would come before power points. (Note: head-to-head cannot be used when more than two teams are involved).

5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.

5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a National Federation rule violation, or a team refuses to play after being instructed to do so by the game official.

Each principal must submit on the official CIAC Canceled Game - Forfeiture Form his/her decision and it must be received in the CIAC office within 72 hours following the time of the scheduled contest. On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his designee, in consultation with the Chairman of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.

5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and ratings unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review

the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.

- 5.6 Member schools must make every effort to complete their season as scheduled, including make-up games. 11.8 **TOURNAMENT REGULATIONS VIOLATIONS**

APPENDIX D

2009 CIAC BOYS BASKETBALL TOURNAMENT
SELECTION OF TOURNAMENT OFFICIALS

The officials form must be submitted via the password-protected online eligibility center by February 9, 2009.

The 2008-09 Boys Basketball Committee has adopted the format for the selection of officials for tournament games as outlined in the enclosed communication. Please read it carefully.

To assure that we obtain the most qualified board certified officials, each coach is **required** to:

- a. Submit officials ballot, **regardless of your win-loss record**;
- b. Indicate the names of two (2) certified officials outside your own board who, in your opinion, are of tournament caliber;

NOTE: * If you lack sufficient knowledge about "outside" board officials, please leave those spaces blank.

DO NOT ADD OFFICIALS FROM YOUR BOARD.

- * For those who are serviced by more than one board, restrict your votes to those boards.
- * Vote for only those officials who are **currently** working boys high school games.

The 2007-08 response was disappointing. To be fair to fellow coaches and officials, we should continue to strive for **total involvement**. Please give this your serious and prompt attention.

*** **IF YOU FAIL TO SUBMIT A BALLOT YOU WILL LOSE THE PRIVILEGE OF DELETING NAMES FROM THE TOURNAMENT LIST. *****

SELECTION METHOD FOR CIAC BASKETBALL OFFICIALS

1. In January each varsity head coach is invited to submit a list of eight (8) officials from his board (the board which assigns his home games) who, in his opinion, would be competent to officiate tournament games. In addition, the coach is asked to submit the names of two (2) officials from other boards whose abilities are of tournament caliber. Failure to comply with this requirement will result in the loss of a coach's privilege to delete names from the master list on the day of the pairings.
2. Ballots are tabulated and a complete list of officials is compiled, along with numbers of votes received by each official.
3. This list is presented to the CIAC Advisory Committee on Officials for study and input. The Advisory Committee consists of the commissioners from officials boards that have one or more officials who have received sufficient votes to participate in the tournament, and the Assistant Tournament Director.
4. A list of approximately 75 of the most competent officials in Connecticut (based on the votes of coaches) is established. The list must be sufficiently large to accommodate the number of games scheduled for any one night, in addition to those officials who are not available due to prior commitments.
5. The number of officials selected from each board is based on the percentage of schools each board serves, relative to the total number of CIAC schools in CIAC basketball.
6. The list of tournament officials is prepared and presented to participating coaches on the CIAC web site at the time of the announced pairings. Coaches will be allowed to delete the names of NO MORE THAN TWO (2) OFFICIALS whose services they would prefer not to have. Coaches must use the CIAC web site to delete officials. Deadline: Monday, March 9, 2009, 7:00 p.m. This information will be considered in making assignments for second round, quarter-final, semi-final and final games.
7. "Teams" of officials will be selected from within each board. In assigning officials for all tournament games the Assistant Tournament Director will normally select from a "neutral board" when competing teams come from **different board representation**. If both competing teams are from the **same board**, officials from that board **may be assigned**. The Assistant Tournament Director retains the authority to assign from **any** board in the event of extenuating circumstances.
8. All assignments will be made by the Assistant Tournament Director. Identity of officials assigned to games will not be disclosed prior to games.
9. In accordance with action taken by the Basketball Committee, **three (3)** officials will be assigned to the quarter-finals, semi-finals and finals of all boys basketball games. There will be no alternate officials. In the interest of the game, the assistant director may assign three (3) officials for selected first or second round games.
10. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a finals that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

APPENDIX E

2009 BOYS BASKETBALL ENTRY FORM

Sponsored by IGA, and Subway
(Limited to Members of the Conference)

1. Tournament rosters must be submitted via the password-protected online eligibility center by March 5, 2009.
2. Entry fee of \$100 must be mailed to the CIAC office, 30 Realty Drive, Cheshire, CT 06410.

If a school needs an invoice in order to pay its tournament fee, one can be downloaded by using the "Generate Tournament Invoice" link under the boys basketball options in the password-protected online eligibility center.

3. Report all games won or lost with member schools, out-of-state schools, or American School for the Deaf. Date of last game to count is Tuesday, March 3, 2009. Scores of games played should be reported as soon as they are completed via the password-protected eligibility center or the "submit scores" area of the CIAC web site (schools must set up an access code to allow coaches to submit scores). Schools are strongly encouraged to submit scores of games throughout the season as they are played, so that we may provide accurate rankings on the web site as the season progresses. Games played with out-of-state schools must have been reported to Michael H. Savage, Executive Director for investigation and rating not later than December 15, 2008. Out-of-state games not reported by this date may count as losses for tournament purposes.

Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC board of control. Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

4. Each school will be allowed not over fifteen boys in uniform. There cannot be any alternates or substitutes to the original list of fifteen submitted. (DISREGARD OF THIS RULE MAY MEAN AUTOMATIC DISQUALIFICATION.)
6. EACH PLAYER LISTED MUST BE ASSIGNED A NUMBERED UNIFORM FOR BOTH LIGHT AND DARK JERSEYS. Also list his GRADE LEVEL in school and HEIGHT.
7. The PRINCIPAL of the participating school is responsible for the knowledge, distribution and implementation of the CIAC CROWD CONTROL REGULATIONS which appear in the CIAC Handbook.

THE HIGHER RANKING TEAM SHALL WEAR WHITE OR LIGHT COLORED JERSEYS. THE ORIGINAL RATING ASSIGNED TO A TEAM WITHIN ITS ENTIRE STATEWIDE DIVISION WILL BE MAINTAINED THROUGHOUT THE TOURNAMENT.

Always have alternate jerseys available. In cases of similarity of colors, the lower ranking team will wear color assigned by the site director.

CERTIFICATION:

The school principal certifies that the individuals listed on the Official Tournament Entry Form have satisfied the State Health Statutes, CIAC and local regulations regarding physical examinations.

BOYS BASKETBALL TOURNAMENT FORMS LISTING

All tournament forms must be submitted via the online eligibility center section of the CIAC website located at <http://www.casciac.org/elig/eligibility.cgi>. This area of the site requires the school's username and password for entry.

Worksheets for collecting the information needed to submit the online forms can be found on the following pages. These worksheets are intended for giving to coaches to provide information for submission to the school officials who will be filing the information online. Under no circumstances will printed forms be accepted in lieu of submissions via the eligibility center.

The following forms must be submitted for the sport of boys basketball:

1. Site Information Form
2. Officials Selection
3. Tournament Roster *
4. Game Results¹

¹ Game results must be submitted on a weekly basis. Scores of all games through a Saturday must be submitted by the following Monday (Tuesday if Monday is a school holiday).

* For these forms, you may find it easier to print out a copy of the actual web form, instead of using the worksheet, since the web form will be filled in with your eligible players and/or game schedule. Any form in the online eligibility center can be printed without being submitted.

& If schools choose to do so, they may set up access codes which allow coaches to enter game results without having the main school eligibility center password. Access codes can be set up in the online eligibility center by selecting the appropriate option from the "Administrative Actions" menu. Once the code is setup and the schedule is entered in the eligibility center, results may then be entered at http://www.casciac.org/scripts/submit_scores.cgi.
