COVER LETTER

The CIAC Board of Control directed the Boys' Basketball Committee to re-evaluate the present tournament structure and to address various issues and concerns raised by member school principals, athletic directors, coaches and the public, especially the issue of manipulation of schedules to gain an unfair advantage. As a result, the CIAC Boys' Basketball Committee and tournament director Robert Cecchini proposed to the CIAC Board of Control a new format for the 2006-2007 Boys' Basketball Tournament. This format will be continued in 2009-2010

Under the new format the tournament classes (LL, L, M, S) will be established using the following criteria:

1. Enrollment – boys enrolled in grades 9, 10, 11, 12 as of October 1, 2008.
2. Enrollment with a multiplier of 2 x boys enrolled in grades 9, 10, 11, 12 for State defined schools of choice (except vocational technical and vocational agriculture/aquaculture high schools) and all member tuition high schools. Choice programs that are housed in a member school where the out-of-district students attending the choice program participate in athletics at the member school are subject to the multiplier for the out-of-district students.
3. A weighted factor* for schools that advanced to the semi-finals or finals in the State Tournament **over the past four years**. Points earned will be added to the school's base enrollment.

*** Factor (over the past four years)**

- 10 points added each time a team reaches the semi-finals
- 25 points added each time a team reaches the finals
- 50 points added each time a team won the championship

Tournament classes will be distributed after enrollment (plus factor) is determined. **A team may "opt-up" to the LL tournament for a one year period.** Request to move up must be received in writing by October 28, 2009. Classes (L, M and S) will not be re-balanced if schools opt to move up.

The CIAC Board of Control approved the recommendations of the boy's basketball committee at their June 2006 meeting.

4. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a finals that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

5. For tie break procedures please see 9.1 in tournament packet.

They are: LL -- 39 schools; L -- 44 schools; M -- 44 schools; S -- 51 schools.

- A forfeit game shall count as a victory for the team declared the winner and as a loss for the team declared a loser in determining tournament qualifications and ratings. For tournament qualifications only the following reasons for a forfeit shall be accepted.
- 5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.
- 5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a National Federation rule violation, or a team refuses to play after being instructed to do so by the game official.

- 5.4 Forfeitures will be honored by each CIAC sports committee when there is mutual agreement between the principals of the two schools involved in the game not played. Each principal must submit on the official CIAC Canceled Game - Forfeiture Form his/her decision and it must be received in the CIAC office within 72 hours following the time of the scheduled contest. On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his designee, in consultation with the Chairman of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.
- 5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and ratings unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.
- 5.6 Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

6.0 OFFICIALS

- 6.1 Each school must complete this form and submit via the password protected online eligibility center -- by February 8, 2010 -- eight (8) officials who in their opinion would be competent to officiate tournament games. From these lists a Master List of Officials will be developed.
- 6.2 The game officials for all of the tournament games will be assigned by the CIAC. Officials will be paid directly by the CIAC Office.
- 6.3 Site Directors should meet and greet officials and escort them to their private locker rooms and provide an escort to their cars when they are ready to leave.
- 6.4 Identity of the officials assigned games by the Assistant Tournament Director, will not be disclosed prior to the game.

7.0 PROTESTS

- 7.1 Each sports committee will establish a protest committee whose purpose will be to adjudicate all protests relating to the operation of the tournament, including the application and administration of tournament regulations. National Federation or CIAC game rule interpretations and judgments by the game officials cannot be protested. The Protest Committee for each sport shall consist of the Assistant Executive Director for CIAC, the Chairman of the Tournament Committee, an administrator member of the sports committee, the Tournament Director, and the Coaches' Chairman on the sport committee. All Protest Committee decisions are appealable to the CIAC Board of Control as provided in the CIAC By-laws.
- 7.2 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.
- 7.3 Decisions by Game Officials -- Protests arising from the decisions, interpretations and misapplication of the National Federation or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final.

The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.

Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by CIAC.

8.0 QUALIFYING

- 8.1 To be eligible for consideration in the tournament, a team must play a minimum of ten (10) games AGAINST VARSITY OPPONENTS and have won 40% of its approved scheduled games played. Only the first two games played with any single opponent shall be included in a team's final record.
- 8.2 Only games played with Conference member schools, American School for the Deaf, or out-of-state schools who are members of their state athletic association shall be considered.
- 8.3 Games played with non-member Connecticut secondary schools shall not be considered in the rating of teams. However, those games will count toward the 20 game maximum limitation.

9.0 RANKING WITHIN CLASSES

- 9.1 Teams will be ranked within classes by winning percentage (number of games won divided by the number of games played). When two or more teams have the same winning percentage, the following steps will be used to break the ties:
 - a. When **only two teams are tied** at a percentage:
 1. **Most Wins** – (ex. 10-10 is a higher rank than 9-9)
 2. If a tie remains, head-to-head competition will be used.
 3. If a tie remains power rating will be used. Each school is assigned a power rating based on the divisions, qualifying status and records of the school(s) that they beat. Win vs LL tournament qualifying schools = 10 points; vs L tournament qualifying schools = 8 points; vs M tournament qualifying schools = 6 points; vs S tournament qualifying schools = 4 points; vs non-qualifying team in any division with six or seven wins = 3 points; vs non-qualifying school with less than six wins = 1 point. Total points will be added and divided by number of games played to determine the school's rating.
 4. If a tie remains, the team with most wins in highest classification will be the higher ranked team.
 5. If a tie remains, the higher ranked team will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season (the team with the higher tiebreaker number will be the higher ranked team).
 - b. When **three or more teams are tied** at a percentage:

Note: the steps below will be applied only once for each percentage which has three or more teams. The steps will not be reapplied to attempt to change the rankings of teams which played head-to-head that end up in positions next to each other after the tie has been broken.

1. Most wins (i.e. 10-10 is a higher rank than 9-9).
2. If a tie remains power rating will be used, calculated using the method listed in 9.1(a)(3) above.
3. If two teams have the same number of wins and power rating and one of those teams holds an advantage over the other in head-to-head competition the team holding that advantage will be the higher ranked team. Note: if three or more teams are tied in power rating, head-to-head will not be used at any point in breaking that tie.
4. If a tie remains, the team with most wins in highest classification will be the higher ranked team.
5. If a tie remains, the higher ranked team will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season (the team with the higher tiebreaker number will be the higher ranked team).

9.2 **Pairings** -- The pairings will be made as follows:

<u>First Round</u>	<u>Second Round</u>	<u>Quarter-finals</u>	<u>Semi-finals</u>	<u>Finals</u>
1 vs 32				
16 vs 17	1 vs 16			
8 vs 25		1 vs 8

9.3 If fewer than 32 teams qualify, the higher ranked teams will draw byes for the first round.

If 33 teams	If 34 teams	If 35 teams	If 36 teams
32 vs 33	32 vs 33	32 vs 33	32 vs 33

9.5 A TEAM MAINTAINS ITS INITIAL PERCENTAGE RANKING THROUGHOUT THE TOURNAMENT.

9.6 *Final ranking and pairing information will be distributed to coaches on the CIAC web site by Wednesday, March 3, 2010 by 2:00 p.m.*

9.7 **League Playoffs** -- League playoff games **SHALL NOT BE COUNTED** for tournament qualification or rating.

10.0 **SUPERVISION / SPORTSMANSHIP**

10.1 Players and coaches disqualified in a game will be required to serve the additional penalty as outlined in the CIAC Regulation on "Disqualification".

10.2 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director.

10.3 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.

10.4 Use of tobacco products or possession of alcoholic beverages of any kind, including champagne, are not permitted in the gymnasium. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.

- 10.5 **Conduct and Good Sportsmanship** -- We especially request that all school personnel -- administrators, faculty, and coaches -- give definite emphasis to the good sportsmanship so that students will conduct themselves in a manner that will reflect nothing but credit upon your school. Any unsportsmanlike conduct on the part of students or adults is unacceptable. We are the guests of the site school, and as guests we may want to be invited back.
- 10.6 **Signs, Noisemakers, Balloons Forbidden** -- Please stress to pupils over your public address system the regulation that the use of confetti, signs, banners, placards, balloons and streamers is DEFINITELY NOT ALLOWED at tournament games. Bugles, horns, drums, whistles, or other noisemakers contribute nothing to the game and are a genuine source of annoyance to spectators. THEY WILL NOT BE PERMITTED, AND ANYONE RESPONSIBLE FOR SUCH ANNOYANCE WILL BE ASKED TO LEAVE THE GAME.

11.0 **TOURNAMENT RULES / PROCEDURES**

- 11.1 **Rules** -- All contests shall be governed by CIAC and National Federation Rules.

11.7 **LATE ENTRY POLICY**

- No tournament entries will be accepted after the established deadline except those approved by the CIAC Board of Control.
- Corrections requested by a school to an entry form that was submitted by the established deadline but prior to seeding/pairing data being published on the web site, will be assessed a fee of \$50 per correction to a maximum of \$250.
- All requests for corrections must be submitted on a support ticket via the online eligibility center. No phone request will be considered.

11.8 **TOURNAMENT REGULATIONS VIOLATIONS**

If a school fails to comply with tournament regulations and such requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.

- 11.9 **Towels** -- Shall be furnished by the participating teams.

- 11.10 **Solicitation of Funds / Selling T-shirts, Etc.** -- Solicitation of funds or selling merchandise for any purpose at any of the tournament games is prohibited unless permission to do so is given by CIAC. The home site qualification form and neutral sites criteria must be submitted via the password-protected online eligibility center by January 11, 2010. If athletic directors have questions -- please contact Jiggs at (860) 658-4362 or at CIAC office (203) 250-1111.

APPENDIX D

2010 CIAC BOYS BASKETBALL TOURNAMENT SELECTION OF TOURNAMENT OFFICIALS

The officials form must be submitted via the password-protected online eligibility center by February 8, 2010.

The 2009-10 Boys Basketball Committee has adopted the format for the selection of officials for tournament games as outlined in the enclosed communication. Please read it carefully.

To assure that we obtain the most qualified board certified officials, each coach is **required** to:

- a. Submit officials ballot, **regardless of your win-loss record**;
- b. Indicate the names of two (2) certified officials outside your own board who, in your opinion, are of tournament caliber;

NOTE: * If you lack sufficient knowledge about "outside" board officials, please leave those spaces blank.

DO NOT ADD OFFICIALS FROM YOUR BOARD.

- * For those who are serviced by more than one board, restrict your votes to those boards.
- * Vote for only those officials who are **currently** working boys high school games.

The 2008-09 response was disappointing. To be fair to fellow coaches and officials, we should continue to strive for **total involvement**. Please give this your serious and prompt attention.

*** **IF YOU FAIL TO SUBMIT A BALLOT YOU WILL LOSE THE PRIVILEGE OF DELETING NAMES FROM THE TOURNAMENT LIST. *****

SELECTION METHOD FOR CIAC BASKETBALL OFFICIALS

1. In January each varsity head coach is invited to submit a list of eight (8) officials from his board (the board which assigns his home games) who, in his opinion, would be competent to officiate tournament games. In addition, the coach is asked to submit the names of two (2) officials from other boards whose abilities are of tournament caliber. Failure to comply with this requirement will result in the loss of a coach's privilege to delete names from the master list on the day of the pairings.
2. Ballots are tabulated and a complete list of officials is compiled, along with numbers of votes received by each official.
3. This list is presented to the CIAC Advisory Committee on Officials for study and input. The Advisory Committee consists of the commissioners from officials boards that have one or more officials who have received sufficient votes to participate in the tournament, and the Assistant Tournament Director.
4. A list of approximately 75 of the most competent officials in Connecticut (based on the votes of coaches) is established. The list must be sufficiently large to accommodate the number of games scheduled for any one night, in addition to those officials who are not available due to prior commitments.
5. The number of officials selected from each board is based on the percentage of schools each board serves, relative to the total number of CIAC schools in CIAC basketball.
6. The list of tournament officials is prepared and presented to participating coaches on the CIAC web site at the time of the announced pairings. Coaches will be allowed to delete the names of NO MORE THAN TWO (2) OFFICIALS whose services they would prefer not to have. Coaches must use the CIAC web site to delete officials. Deadline: Monday, March 8, 2010, 7:00 p.m. This information will be considered in making assignments for second round, quarter-final, semi-final and final games.
7. "Teams" of officials will be selected from within each board. In assigning officials for all tournament games the Assistant Tournament Director will normally select from a "neutral board" when competing teams come from **different board representation**. If both competing teams are from the **same board**, officials from that board **may be assigned**. The Assistant Tournament Director retains the authority to assign from **any** board in the event of extenuating circumstances.
8. All assignments will be made by the Assistant Tournament Director. Identity of officials assigned to games will not be disclosed prior to games.
9. In accordance with action taken by the Basketball Committee, **three (3)** officials will be assigned to the quarter-finals, semi-finals and finals of all boys basketball games. There will be no alternate officials. In the interest of the game, the assistant director may assign three (3) officials for selected first or second round games.
10. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a final that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

APPENDIX E

2010 BOYS BASKETBALL ENTRY FORM Sponsored by IGA, Subway and Mohegan Sun (Limited to Members of the Conference)

1. Tournament rosters must be submitted via the password-protected online eligibility center by March 4, 2010.
2. Entry fee of \$100 must be mailed to the CIAC office, 30 Realty Drive, Cheshire, CT 06410.

If a school needs an invoice in order to pay its tournament fee, one can be downloaded by using the "Generate Tournament Invoice" link under the boys basketball options in the password-protected online eligibility center.

3. Report all games won or lost with member schools, out-of-state schools, or American School for the Deaf. Date of last game to count is Tuesday, March 2, 2010. Scores of games played should be reported as soon as they are completed via the password-protected eligibility center or the "submit scores" area of the CIAC web site (schools must set up an access code to allow coaches to submit scores). Schools are strongly encouraged to submit scores of games throughout the season as they are played, so that we may provide accurate rankings on the web site as the season progresses. Games played with out-of-state schools must have been reported to Michael H. Savage, Executive Director for investigation and rating not later than December 14, 2009. Out-of-state games not reported by this date may count as losses for tournament purposes.

Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC board of control. Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

4. Each school will be allowed not over fifteen boys in uniform. There cannot be any alternates or substitutes to the original list of fifteen submitted. (DISREGARD OF THIS RULE MAY MEAN AUTOMATIC DISQUALIFICATION.)
6. EACH PLAYER LISTED MUST BE ASSIGNED A NUMBERED UNIFORM FOR BOTH LIGHT AND DARK JERSEYS. Also list his GRADE LEVEL in school and HEIGHT.
7. The PRINCIPAL of the participating school is responsible for the knowledge, distribution and implementation of the CIAC CROWD CONTROL REGULATIONS which appear in the CIAC Handbook.

THE HIGHER RANKING TEAM SHALL WEAR WHITE OR LIGHT COLORED JERSEYS. THE ORIGINAL RATING ASSIGNED TO A TEAM WITHIN ITS ENTIRE STATEWIDE DIVISION WILL BE MAINTAINED THROUGHOUT THE TOURNAMENT.

Always have alternate jerseys available. In cases of similarity of colors, the lower ranking team will wear color assigned by the site director.

CERTIFICATION:

The school principal certifies that the individuals listed on the Official Tournament Entry Form have satisfied the State Health Statutes, CIAC and local regulations regarding physical examinations.

ALERT PAGE

2009-10 National Federation Basketball Rule Changes

2-2-1 NOTE

New A state association may permit game or replay officials to use a replay monitor during state championship series contests to determine if a try for goal at the expiration of time in the fourth quarter or any overtime period (0:00 on the game clock) should be counted, and if so, determine if it is a two- or a three-point goal.

1-14; 5-6-2 When a red light behind the backboard or an LED light on the backboard is present, it is permitted to signal the expiration of time in the quarter/extra period. If no red/LED light is present, the audible timer's signal will continue to signal the expiration of time.

2009-10 Major Editorial Changes

1-13-3; 5-12-5 Clarified that the imaginary rectangle designates the area to be used for time-outs.

2-12-5 NOTE A note was added to clarify when the 20-second interval begins to replace an injured player.
New

3-7 Clarified that any item, in the referee's judgment, that constitutes a safety concern is not permitted.

9-1-3d Clarified that a player leaves a marked lane space when he or she contacts any part of the court outside the marked lane space (36 inches by 36 inches).

9 -1-3g Clarified that a player occupying a marked lane space must have one foot positioned near the outer edge of the free-throw lane line with the other foot positioned anywhere within the designated 36-inch lane space.

2009-11 Major Mechanics Changes

2-2-3;2-4-2 In a crew of two, when free-throws are to be attempted, the calling official will become trail and will be positioned table side. The lead official will be positioned opposite the table.

3-2-2d In a crew of three, the trail shall mirror the lead's stop- and start-clock (chop) signals for front court end line throw-ins.

BOYS AND GIRLS BASKETBALL FINALS

The finals will be held at the Mohegan Sun Arena on March 19, 20, 2010. The schedule of games will be announced.

The administrators representing the competing schools will be introduced with their teams and shake hands PRIOR to the start of the game.

Note: THE CIAC BOYS AND GIRLS BASKETBALL COMMITTEES VOTED TO ADOPT VIDEO REPLAY FOR THE FINAL GAMES OF THE TOURNAMENT ONLY AND ONLY IN FACILITIES THAT HAVE OFFICIAL VIDEO EQUIPMENT AND REPLAY CAPABILITIES.
