ALERT PAGE

Regular Season Games, if interrupted (suspended) before the completion of 80% (40 minutes) the game must be started from the beginning with the score 0-0. If ended after 80% of the game has been completed, it will be declared an official game. If the score is tied after 80% of the game has been completed, it will be declared an official game.

By state adoption, in CIAC tournament play, a game suspended either in the first half or the second half will be continued from the point of suspension with the score the same as when the game was suspended. A suspended game after 80% of the game has been completed may be ruled an “official game” by the mutual agreement of both coaches.

Regular Season Overtime Procedure

After a five-minute rest and coin toss for choice of ends, six minutes (two three minute periods) of stop-clock overtime will be played. The team which is ahead at the end of six minutes wins the game. If the overtime period ends in a tie, the game will be declared an official game. By state adoption, No “Sudden Victory” will be played during the regular season.

CIAC Tournament Overtime Procedure

The first overtime period in the CIAC tournament is the same as in the regular season. If, at the conclusion of the first overtime, the teams remain tied, after a three minute rest the teams will change ends. The winner will be decided on a “Sudden Victory” stop-clock overtime period of no more than six minutes.

The procedure will continue with “Sudden Victory” stop-clock overtime periods until a winning goal is scored. **The detailed version of this procedure is in Rule 4, Section 7 of the USL rule book.**

The host school in the playdown, first round, and quarter-final games must call Pat Javorski, Coordinator of Officials, and request that officials be assigned. The officials fee for the playdowns through the quarter-final round is \$91.04.

Expenses for playdown, first round and quarter-final games will be borne by the participating teams. The host team will pay game expenses including officials, and shall provide the site director who should be someone other than the coach.

For advanced planning – effective with the 2009 season – all scheduled games against out-of-state teams who are members of their state association will count for CIAC tournament qualification.

Rule Changes for 2008

Each change or altered area of the rules is identified by a screened background. Figures to the left below indicate the Rule and Section where the change has been made, while the page number is listed on the right. Throughout the book, the notation “AR” means “Approved Ruling.”

2-8	Beginning with the 2009 season the mouthpiece must be made of any readily visible color (Not clear or white)	15
2-12	The bottom half of the goalkeeper’s uniform may now also be gray in addition to black or her teams’ predominant color	17
3-11	The official scorer should notify the umpire immediately when a team has received its fourth card (yellow and/or red)	22
4-1	When the 10-goal rule is in effect no time out should be called for a re-draw. This same wording was also added to Rule 5-3 and Rule 5-14	24
4-9d	Wording in this section was adjusted to reflect the change to Rule 5-15 that allows the shooter to follow through over the goal circle with her crosse only	26
5-11	If the goalkeeper is being awarded the ball on an out-of-bounds ball and she was within her goal circle when the ball crossed the boundary line, she may remain in her goal circle for the restart of play	31
5-15	On a shot the shooter may follow through with her crosse over the goal circle. Her shooting motion must be initiated from outside the goal circle. Not for play below the 9 th grade level	32
5-15	On a shot, the player or players directly defending the shooter may reach into the goal circle with the crosse to block the shot or check the shooter’s crosse	32
6-2f	A player must not <u>deliberately</u> impede, accelerate or change the direction of the ball using any part of her body	42

Goalkeeper Positioning – Out-of-Bounds Restart

Rule 5-11 has been changed for the 2008 season and will now be consistent with the wording in Rule 5-12. Anytime the goalkeeper is to be awarded the ball on an out-of-bounds restart, whether on a shot or a simple ball out-of-bounds, she may remain in her goal circle IF she was within her goal circle when the ball went out-of-bounds. However, if the goalkeeper was outside her circle when the ball went out-of-bounds she must stand on the whistle and remain outside the circle.

Illegal Use of the Crosse

Another example of illegal use of the stick has been added to Rule 6-1g. It is illegal to lower the head of the stick below the shoulder and initiate crosse to body contact. This horizontal stick position by itself is not illegal, but officials should be watching closely to be sure crosse to body contact does not occur.

Misconduct Cards

Wording has been adjusted in Rule 7, Sections 29-31 to indicate that a player receiving a second yellow card will be removed from the game and prohibited from returning. Wording indicating that two yellow cards “equals” a red card has been removed. A red card will only be shown when a player’s actions warrant an immediate suspension from the game.

- 5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC rules of eligibility.
- 5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a U.S. Lacrosse rule violation, or a team refuses to play after being instructed to do so by the game official.
- 5.4 Forfeitures will be honored by each CIAC sports committee when there is mutual agreement between the principals of the two schools involved in the game not played. Each principal must submit on the official CIAC Canceled Game - Forfeiture Form his/her decision and it must be received in the CIAC office within 72 hours following the time of the scheduled contest. On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his designee, in consultation with the Chair of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.
- 5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and rating unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.

- 6.1 By Wednesday, May 14, 2008 each head coach must submit via the password-protected on line eligibility center a list of eight (8) officials who in her/his opinion are tournament caliber officials. At the same time you may select two (2) officials whose services you prefer not to have.

- Two officials will be assigned to playdown and first round games.
Three officials will be assigned to the quarter-finals, semi-final and finals.
- 6.3 Identity of the officials assigned games by the assigner will not be disclosed prior to the game.
- 6.4 Only USL certified officials will be used for regular season games to count toward tournament play.

7.0 PROTESTS - CIAC

- 7.1 Each sports committee will establish a protest committee whose purpose will be to adjudicate all protests relating to the operation of the tournament, including the application and administration of tournament regulations. U.S. Lacrosse or CIAC game rule interpretations and judgments by the game officials cannot be protested. The Protest Committee for each sport shall consist of the Assistant Executive Director for CIAC, the Chair of the tournament committee, an administrator member of the sports committee, the tournament director, and the coaches' chair on the sport committee. - 7.3 The record of the official scorer at conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.
- 7.4 **Decisions by Game Officials** -- Protests arising from the decisions, interpretations and misapplication of the U.S. Lacrosse or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final.
- 7.5 Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will forfeit the game and render the school liable to disciplinary action by the CIAC.

8.0 RANKING / SEEDING

- 8.1 Teams will be seeded by win / loss percentage. Seeding ties will be broken based on: (1) Head-to-head competition; 2. Record vs common opponent -- highest seed first; 3. By lot.

The win / loss percentage is determined as follows: 2 points are awarded for a win; 1 for a tie; and 0 for a loss. This total is then divided by twice the number of games. For example:

A record of 8 wins, 2 ties, 6 losses yields a win / loss percentage of 18/32

A record of 6 wins, 3 ties, 5 losses yields a win / loss percentage of 15/28

8.2 Tournament Format (See 3.4 for specific qualifying standards)

The pairings for the first round are contingent on the number of teams qualifying for the tournament. All teams with a .500 or better record will qualify and compete in the tournament if they so choose. If more than sixteen (16) teams qualify, teams will play off in a playdown round. If less than sixteen (16) teams qualify, byes in the first round will be assigned, starting with the top seed on down.

9.3 When a member school’s coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.

9.4 Use of tobacco or possession of alcoholic beverages of any kind, including champagne, and all other illegal substances are not permitted on the field of play or within the field or park at which a tournament game is scheduled. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.

9.5 **Bench and Field Conduct**

Personnel -- Only coaches, players, other team members, statisticians, managers, and trainers will be allowed in the bench area.

Conduct -- The above identified personnel shall not be outside the vicinity of the designated bench area.

9.6 Team members in uniform, coaches, managers, and up to 20 cheerleaders accompanying the team will be admitted free to the games. Bands and other musical groups, noisemakers that might interfere with the performance of the game, and large banners or streamers are prohibited. Each school is responsible for compliance with this regulation.

10.0 **TOURNAMENT RULES / PROCEDURES**

10.1 **CIAC Late Entry Policy** --

- **No tournament entries will be accepted after the established deadline except those approved by the CIAC Board of Control.**
- Corrections requested by a school to an entry form that was submitted by the established deadline but prior to seeding/pairing data being published on the web site, will be assessed a fee of \$50 per correction to a maximum of \$250.
- All requests for corrections must be submitted on a support ticket via the online eligibility center. **No phone request will be considered.**

Tournament Regulations Violations – If a school fails to comply with tournament regulations and such requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.

- 10.2 **By state adoption, in CIAC tournament play**, a game suspended either in the first half or the second half will be continued from the point of suspension with the score the same as when the game was suspended. A suspended game after 80% of the game has been completed may be ruled an official game by the mutual agreement of both coaches.
- 10.3 In CIAC tournament play, overtime games will follow the procedure outlined in Rule 4, Section 7 of the USL Rule book.
- 10.4 In the event of any situation not covered in these rules, the decision of the tournament committee shall be final.
- 10.5 Awards -- Winner and runner-up plaques will be presented at the final game. Each varsity player and coach on the winning and runner-up teams will receive a medallion.

11.0 **RESPONSIBILITIES OF TOURNAMENT SITE DIRECTORS**

The site director shall confirm with the tournament director before any site/time change has been proposed. The tournament director has the final authority in these cases.

It shall be the duty of the Site Director to see that the following facilities are available in advance of the start of the game.

- 11.1 The field should be freshly lined, following official dimensions with field markings in agreement with the 2008 USL Rulebook. A field diagram can be accessed on the girls' lacrosse page on the casciac.org web site. Each goal (properly padded) should be provided with a playable net. For semi-finals and finals, the distance between goals shall be 100 yards.

- 11.5 Sufficient security personnel as may be deemed necessary will be on duty to control the anticipated crowd.
- 11.6 **The CIAC will arrange for athletic trainer/medical services at all semi-final and final games. Home seeded teams shall provide athletic trainer services up through the quarter-final games.**
