Worksheets for collecting the information needed to submit the online forms can be found on the following pages. These worksheets are intended for giving to coaches to provide information for submission to the school officials who will be filing the information online. Under no circumstances will printed forms be accepted in lieu of submissions via the eligibility center.

The following forms must be submitted for the sport of girls tennis:

1. Change of Division – Optional
3. Tournament Roster*
4. Match Results*[&]
5. Individual Singles/Doubles Entry*

* For these forms, you may find it easier to print out a copy of the actual web form, instead of using the worksheet, since the web form will be filled in with your eligible players and/or game schedule. Any form in the online eligibility center can be printed without being submitted.

[&] Results must be submitted on a weekly basis (score of all games through a Saturday must be reported by the following Monday).

If schools choose to do so, they may set up access codes which allow coaches to enter game results without having the main school eligibility center password. Once the code is setup and the schedule is entered in the eligibility center, results may then be entered at http://www.casciac.org/scripts/submit_scores.cgi.
