**4.0 QUALIFYING**

- 4.1 To be eligible for consideration for the **Team Divisional Championship Tournament**, a team must have participated in a minimum of six (6) meets during the regular season. Only the first two meets with any single full team will count for tournament purposes.
- 4.2 Dual, tri, quad meets shall count. Each score from these meets shall count as ONE SCORE toward championship meet qualification. Do not, for example, count your score from a tri-meet two times.
- 4.3 Individual and team scores must be submitted after each meet using the CIAC password protected eligibility center. Failure to have all updated scores submitted by February 11 will result in that school being fined \$50.
- 4.4 All meet scores to be considered for team and individual tournament qualification shall have at least one rated official per event. (If more than one event is going on at one time, use at least one rated official at each event.)
- 4.5 Gymnasts, including members of One Person teams must have been members of their school team for a minimum of six meets during the regular season to be eligible for participation in the Division Team Tournament or in the Individual Open Tournament.
- 4.6 Gymnasts who have been approved to participate as One Person Teams shall only compete for CIAC tournament qualification in CIAC regular season competitions that are scheduled by the "receiving school" with which the one person team gymnast(s) participates. (A receiving school is the school that accepts the approved participation of the "one person" team.) **The final date to apply for one person team status is December 15, 2009.**

4.7 **All schools, including one person teams and co-op teams are responsible for submitting all CIAC information and must ensure supervision by Connecticut certified coaches for their athletes at all meets and tournaments.**

4.8 Gymnastics teams of CIAC member schools may compete for qualifying purposes with schools in these categories:

- \* Schools which are members of CIAC.
- \* Out-of-state schools which are members of their state association
- \* The American School for the Deaf

NOTE: Girl gymnasts on CIAC member school teams are permitted to participate in a maximum of four (4) USAG-sanctioned meets during the course of the interscholastic girls' gymnastics season as unattached participants. (See "unattached" definition in CIAC Handbook.) Requests for permission to participate must be made to CIAC through the individual gymnast's school principal. CIAC weekly and seasonal limitations must be observed. Failure to receive permission violates Rule II.E. of the CIAC Code of Eligibility.

## **5.0 TEAM DIVISIONAL CHAMPIONSHIP TOURNAMENT**

5.1 Twenty-four school teams are invited to participate in the Team Divisional Championship Tournament. Athletes who are members of one person teams are eligible to qualify for the Open Individual Championship throughout the regular competition season. The Team Divisional Championship Tournament is for school teams with 4 or more members.

5.2 Process used by the committee at the end of season seeding meeting to determine qualifying teams for the Team Division Championship tournament:

- \* Team averages are listed from highest to lowest, based on the top six (6) team scores achieved during the regular season.
- \* School teams with the top 24 averages are identified.
- \* This list is then divided into three divisions of eight (8) schools each, based on enrollment (girls grades 9-12) from the previous year.

5.3 During the Team Divisional Championship tournament the top four (4) scores per apparatus for each team will count toward the team score. Each team may compete a maximum of six (6) gymnasts per event. Competitors must be designated prior to the seeding meeting.

5.4 The team divisional championship tournament will be run as a team meet with no more than six (6) gymnasts from one school competing as a team at each event.

## **6.0 INDIVIDUAL QUALIFICATION -- OPEN INDIVIDUAL TOURNAMENT**

6.1 **Tournament Format** -- For 2010, the top 40 girls overall will be accepted into the Open Meet in each of the four competitive events. In the event of a tie for 40<sup>th</sup> place, those girls tying for the 40<sup>th</sup> spot will be accepted into the respective individual event. If a girl qualifies in all four events, she will be eligible to medal in the all-around. Also, the top 20 all-around scorers during regular season meets will qualify for the all-around competition in the Open Meet.

## Girls Gymnastics

The top scoring teams in each of the divisional meets plus the next three best team scores will qualify to compete in the Open Meet to determine an Open team champion as well as a runner-up team. The top two teams in the Open Meet will represent Connecticut in team competition at the New England Gymnastics Tournament.

Only individual qualifying girls will be eligible to medal in each event and the all-around as determined under section 6.0 of the tournament packet.

**The average of the best five scores (per individual/per event, including all-around) achieved during the regular season competition will be used to determine qualification for the Open tournament.**

6.2 If a gymnast was unable due to an injury to record a minimum of five scores in order to qualify according to the regulations, a request for a “bye” into the Open Individual Tournament may be submitted for consideration by the CIAC Girls Gymnastics Committee.

- \* The request must be submitted in writing by the athletic director of the school for which the gymnast competes;
- \* The request must be accompanied by medical documentation testifying that the gymnast was unable to compete;
- \* The gymnast must have participated in at least three meets;
- \* The average of the gymnast’s scores must meet or exceed the qualifying mark;
- \* The decision of the Committee is final.

6.3 **New England Tournament** -- The top two (2) scoring teams at the Open tournament and medalists (top six (6)) from the Open tournament will represent Connecticut at the New England Tournament.
