

CONNECTICUT INTERSCHOLASTIC ATHLETIC CONFERENCE

28<sup>th</sup> ANNUAL 2022 CIAC BOYS LACROSSE PACKET

**ALERT PAGE**

- **LACROSSE BALLS** – All game balls must include labeling which states “meets NOCSAE standard”. Because this is a risk minimization issue, the NFHS rules committee adopted the following situations and rulings regarding this NOCSAE labeling requirement:

1.5 Situation A – The officials arrive and find the balls provided by the home Team A are not marked “meets NOCSAE standard”. The home team (a) asks the visiting Team B to provide legal balls, or (b) no legal balls are available. Ruling A – Technical foul on A, award the opening faceoff to B and continue to game.

Ruling B – The standards are established to minimize risk and if no legal balls are available, the game cannot be played. The situation should be reported to the conference, league or state association.

Approved rulings from the NFHS:

Is a ball legal if it has the NFHS and/or NCAA mark on it, but the ball is NOT marked “meets NOCSAE standard”?  
No, the ball must be marked “meets NOCSAE standard”.

Is the ball legal if the ball is marked “meets NOCSAE standard” but does not contain the NFHS authenticating mark?  
Yes, any ball that is marked “meets NOCSAE standard” is a legal ball and it does not have to have NFHS on it.

- **The Boys Lacrosse Committee voted to apply a success in tournament factor when placing schools\* that draw students from outside their school district boundaries in tournament divisions. The Committee will first place schools in their divisions by enrollment and then use success in tournament to move schools up in division and then rebalance the divisions. Schools that draw from outside their school district boundaries who have been in the semi-finals or above two of the last three years will move up one division. Each year the committee will review results from the past three years and make adjustments as appropriate. Schools can move up or down depending on their success in tournament play.**

\*Charter, magnet, parochial, vocational technical, vocational agricultural and Project Choice schools that have more than 25 each of male/female students from out-of-district.

- **OUT-OF-STATE GAMES** – All out-of-state games against teams that are members of their state association will count toward tournament qualification. Schools must complete the online out-of-state form. **\*NOTE: The number of rating points a CIAC member school will receive for defeating an out-of-state opponent who is a member of its state association is based on 10 wins x 2 points = 20 rating points.**
- **BY STATE ADOPTION IN REGULAR SEASON GAMES** – If a regular season game is suspended before three (3) full quarters have been completed, the game shall be continued from the point of interruption. If three (3) full quarters have been completed and a winner can be determined, the game is over and is considered an official game. A suspended game may be terminated before three periods of play and considered an official game by mutual agreement of both schools.
- **ALL TICKET SALES FOR CIAC TOURNAMENT GAMES WILL BE SOLD AND REDEEMED VIA DIGITAL TICKETS.**
- **BY STATE ADOPTION IN CIAC TOURNAMENT PLAY** – A game suspended either in the first half or the second half will be continued from the point of suspension with the score the same as when the game was suspended. A suspended game in either the first or second half may be ruled an “official game” by mutual agreement of both schools and with the approval of the tournament director.

- **REGULAR SEASON AND CIAC TOURNAMENT OVERTIME PROCEDURE** – In the event of a tie at the end of the regulation game, play shall be continued, after a two-minute intermission, using sudden-victory overtime procedures. In sudden-victory overtime, the teams shall play periods of four minutes each until a goal is scored. The game ends upon the scoring of the first goal. There will be a two-minute intermission between sudden-victory periods.
- The host school in the qualifying and first round games must call their commissioner of officials and request that officials be assigned. Each commissioner will be made aware of this request. The officials' fees for the qualifying and first round is \$114.40.
- Expenses for qualifying and first round games will be borne by the participating teams. The host team will pay game expenses including officials, and shall provide the site director who should be someone other than the coach and the trainer or other medical coverage.
- **SCRIMMAGES** – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage. All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10 day requirement.
- **PROMOTING SPORTSMANSHIP**

Points of Emphasis – In an effort to continue to promote good sportsmanship the CIAC Lacrosse Committee would like to emphasize the following regulations which apply to all CIAC schools in all sports.

- Any CIAC team that accumulates five (5) or more disqualifications during the regular season including the league's tournament will be barred from CIAC post-season competition.
  - Any athlete upon receiving two (2) disqualifications, either for initiating a fight or retaliating in a fight (as determined by the game official), will be declared ineligible for the remainder of the season.
  - In addition, if there is a pattern of unsportsmanlike conduct exhibited by a member school team or lacrosse program, at any level of play, the school's principal, athletic director, and coach could be requested to meet with the CIAC Lacrosse Committee which may result in further sanctions. The school will be required to present a written action plan to the committee that addresses the conduct and sportsmanship of their team and program since the school administration is ultimately responsible for the conduct of their players, coaches, and team followers.
- **CIAC TOURNAMENT SITE MEDIA POLICY** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites.
    1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)
    2. Access to electric power (shared power strip, etc.).
    3. Access to wireless internet service.

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

- **STUDENTS WITH SPECIAL NEEDS** – Coaches are reminded to inform contest officials prior to each competition of any student with special needs who could be competing in the contest when his/her disability could impact the individual’s performance or the conduct of the competition.
- **REPORTING REGULAR SEASON SCORES** – In order to ensure that standings and rankings on both the CIAC’s websites and other sites which draw their data from us are timely and accurate, all regular season scores must be entered online on the day of the game as soon as possible following the game’s completion.

Scores may be entered via the Online Eligibility Center, the “submit scores/forms” option of the “CIAC for Coaches” menu at ciacsports.com or the “Student scores: button in our ciacmobile.com mobile site. Entering scores at ciacsports.com or ciacmobile.com requires either a coaches or scorekeeper’s access code, those codes are managed via the Online Eligibility Center and can be retrieved from the school’s athletic director.

- **TOURNAMENT ROSTERS / ENTRY / OFFICIALS** – Can be submitted on the Eligibility Center or the “submit scores/forms” option under the CIAC for Coaches menu at ciacsports.com.
- **UNMANNED AERIAL SYSTEMS AT CIAC-SANCTIONED EVENTS** – The use of unmanned aerial systems, often referred to as drones, is prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.
- **2021-2022 NATIONAL TESTING DATES – CIAC HANDBOOK** – Please be advised that because there are many options for student-athletes to take the SAT and ACT tests during the course of the school year, schools should make their teams aware of the CIAC tournament schedule that is posted three years in advance to avoid a conflict. In most sports, it is necessary for CIAC to schedule multiple games on the same day and a morning game on the day of an SAT or ACT test cannot be avoided. Please plan ahead.

- **SPORTSMANSHIP** -- **Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. Everyone involved has the obligation to see clearly his/her influence and act accordingly.** The CIAC acknowledges that the school administration is responsible for the athletic program, including the making of broad and specific policies and procedures relating to sportsmanship and the conduct of activities in the school. **To that end, the CIAC urges each school principal to adopt the following sportsmanship procedures and standards for their school and to champion the “Class Act” sportsmanship program as these standards will be used in all CIAC post-season contests.**

CIAC Sportsmanship Guidelines

- The CIAC request that all school personnel – administrators, faculty, and coaches – give special and specific emphasis about CIAC’s expectations for good sportsmanship during the regular season as well as CIAC tournaments requiring that athletes and members of the student body conduct themselves in a manner that reflects nothing but credit upon your school. Any unsportsmanlike conduct on the part of students and adults is unacceptable and will be addressed with strong and appropriate measures.
- The CIAC sportsmanship standards should be as widely disseminated as possible using the student-parent handbook, student-athlete handbook, school newspaper, parent newsletter, school web site and the local media.

- The CIAC sportsmanship standards for spectators should be read by PA announcers prior to each contest.
- The CIAC sportsmanship standards of conduct be prominently posted at all sports venues.
- When event programs are provided, the CIAC sportsmanship standards be included.
- Member schools require having athletes, parents/guardians, sign an acknowledgement which would show that they have read the student-athlete handbook and understand the CIAC sportsmanship standards.
- Member schools work with community officials to insure that levels of the CIAC sportsmanship standards are enforced when contests are held at their school and at non-school facilities.
- The CIAC and the CIAC sports committees insist the CIAC sportsmanship standards be rigorously enforced at all regular season contests and at all CIAC tournament contests. This is particularly important when contests are held at non-school sites.
- Member schools will conduct a pre-season meeting with student-athletes, coaches and parents to review the CIAC sportsmanship standards.
- Member schools should communicate with opposing schools and inform them they are a “Class Act School” and provide them with the CIAC sportsmanship standards which will be strictly adhered to.
- Member schools hosting a game should make available to visiting schools necessary game information – includes directions for parking, location of ticket booths, seating arrangement, ticket prices, game time, directions for each game site.
- Member schools hosting a game should designate specific seating areas for students, bands, adults and visitors. If possible, opposing student bodies should be separated.
- Member schools hosting a game should arrange for adequate police supervision.
- When possible the member schools hosting a game should assign officials to dressing facilities separated from both teams. Provides escorts for the officials when it appears that disturbances may develop.
- Member schools should take measures to prevent fans from getting near or on the playing area and around the players benches. After the contest, prevents fans from going onto the playing area.
- Member schools should provide for adequate supervision of students and facilities. Supervisors should sit in the stands with the students.
- **Member schools should support and adhere to ALL the following CIAC standards.**

11.4 Suitable timing devices – the conventional time clock and air horn will be available to signal the start and expiration of playing time and appropriate substitutions.

11.5 Sufficient security personnel as may be deemed necessary will be on duty to control the anticipated crowd AND PROVIDE FOR THE SAFETY OF THE GAME OFFICIALS.

11.6 **The CIAC will arrange for athletic trainer/medical services at all semi-final and final games, ONLY WHEN THE PARTICIPATING SCHOOLS CANNOT PROVIDE THEM. Higher seeded teams shall provide athletic trainer services up through the quarter-final games.**

11.7 Suitable benches and drinking water should be provided for players. If a request is made, dressing facilities should be provided for any team which has more than fifteen miles to travel.

- 11.8 In the event that a field is absolutely unfit for play because of excessive water, the tournament director should be notified as soon as possible. (After a rain most fields may not be perfectly dry, but yet would be suitable for play.)
- 11.9 The scores of tournament games will be telephoned to the tournament director immediately at the conclusion of the game.
- 11.10 A list of expenses which includes all fees should be sent to CIAC, 30 Realty Drive, Cheshire, CT 06410.
- 11.11 Teams members, coaches, manager and up to 20 cheerleaders accompanying the team will be admitted free of charge to each game.

## 12.0 RESPONSIBILITIES OF TOURNAMENT COACHES

Coaches check the following items with each other:

- 12.1 Directions how to reach field.
- 12.2 All weekday games to start as outlined – Section 2.6
- 12.3 The higher ranked team is required to supply twenty (20) official white game balls. **If a game is played at a neutral site, each team provides six (6) balls at their end, two (2) opposite their benches and two (2) at the table. Total of ten (10)**
- 12.4 The higher ranked team shall wear light colored jerseys.
- 12.5 **When games are played at neutral sites, each team will provide two (2) ball persons.**
- 12.6 Visiting teams arrange and pay for busses.
- 12.7 Games to be played on home field of the higher ranked team in the pairings unless the home field is not a minimum of 53-1/3 x 110 yards.
- 12.8 **Home team must call in scores to Tournament Director, at the conclusion of the game.**
- 12.9 Coaches are requested to inform all site directors to honor the special game passes which are issued to Lacrosse Committee members who will act as observers during the tournament.
- 12.10 **Before a Game** – Arrive in adequate time with your team. Stay with your players at all times during the pre-game period.
- 12.11 **During A Game** – Conduct yourself (and assistants) as gentlemen at all times. Set a good example for your players and followers. Do not engage in theatrics or unsportsmanlike conduct of any type that might tend to incite your fans to bad behavior.
- 12.12 **After a Game** – Escort your team as a group from the playing surface to your assigned locker room. Stay with them in the locker room to see that all is well, win or lose. Accompany players (and any other personnel) to the bus. Travel back with them to your school.
- 12.13 Coaches and officials by the very nature of their positions exert a tremendous influence over the control of a game. This influence on the game must be exerted in a most positive manner by showing a complete respect for all official judgment calls and interpretations.

- 12.14 Although most of you have the situation well under control with your student-athletes, alcohol has shown up on the field after some championship games (brought in by spectators, but nonetheless, on the field). A word from you prior to the game to your athletes may be enough to control this situation and avoid embarrassing the team and tainting their achievement.
- 12.15 **No coach should make negative comments to the media regarding the officials. Public criticism of officials is unethical and contrary to CIAC rules.**

### 13.0 RESPONSIBILITIES FOR TOURNAMENT ATHLETIC DIRECTORS

- 13.1 **Before a Game** – Announce and/or publish directions for getting to the game site through local media and announce same over the school intercom.

The Athletic Director and/or his/her designated representative shall arrive at the game site well in advance of the game time and identify him/herself to the Site Director and confer with him/her as to the game-to-be. An identifying badge or tag may be issued.

- 13.2 **During a Game** – Sit strategically where the conduct of your coach(s), team and students can be observed. Be alert for any disruptive acts or potential trouble and do all you can to aid the Site Director in such a case.
- 13.3 **After a Game** – Stay afterward long enough to make certain, and satisfy yourself, that your team, coaches, cheerleaders, students, etc., are safely off the playing field and out of the building.
