ALERT PAGE

Site for Girls and Boys Basketball Finals

- The finals will be held at the Mohegan Sun Arena on Saturday, March 22 and Sunday, March 23, 2014. The schedule of games will be announced.
- **NOTE:** The CIAC Boys and Girls Basketball Committees voted to adopt video replay for the FINAL GAMES OF THE TOURNAMENT ONLY and only in facilities that have official video equipment and replay capabilities. Video replay will only be used on the final shot of the quarter, half or end of the game when the official needs to confirm if the point was scored before time elapsed and/or if the point was a two or three point shot.
- **“Success in Tournament”** – To be used for placement in 2013-14 tournament

Recently the CIAC Board of Control approved a recommendation from a Board sub-committee to change how the basketball committee was placing schools of choice (charters, magnets, parochial) in divisions. The procedure that was in place, which involved a multiplier of base enrollment was found to be inequitable because all schools of choice were not subject to the multiplier. The sub-committee’s work resulted in a recommendation to the Board to discontinue the practice of artificially increasing enrollment for placement purposes and use “success in tournament” as the only means to move schools of choice to a higher division. Further, the Board authorized any team sport to adopt “success in tournament” for tournament placement if the sport committee so desired. Also, the definition of schools of choice was expanded to include all schools that can draw students from numerous communities or from outside of their district’s boundaries. The new definition includes charter, inter-district magnet, vocational technical, vocational agriculture, project choice schools (vocational agriculture and project choice schools when more than 25-gender specific-students attend from out-of-district) and parochial high schools.

The boys’ and girls’ basketball committees will be using “success in tournament” for placement during the 2013-14 school year. Following are the basics of how the system will work:

1. All schools will be placed in divisions based on their enrollment as of October 1 of the previous school year as reported to CIAC and/or the State Department of Education. All enrollment figures are verified with the SDE.
2. Committees will have pre-determined the number of schools in each division.
3. The “success in tournament” factor will then be applied to all schools of choice – “success in tournament” is defined as having reached the quarter-finals in at least two of the last three years. Any school that was in the quarter-finals two of the last three years would move up one division. Any school that was in the quarter-finals three of the last three years would move up two divisions. No team would move more than two divisions.
4. After all moves are made the committee will re-balance the divisions to conform to the pre-determined number of schools in each division.
5. Every year the sport committee will follow the same process as outlined, reviewing data for the past three years and moving schools as appropriate.
6. Use of “success in tournament” only applies to schools of choice that draw from numerous communities or outside their school district boundaries. All other schools will remain in the division as determined by their base enrollment.

- **Officials** – Officials are allowed to be assigned to an individual team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team **may be assigned** to officiate a finals that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

- **Tournament Site Selection** –**THE CIAC BASKETBALL COMMITTEE AND TOURNAMENT DIRECTOR RESERVE THE RIGHT TO MOVE ANY GAME TO A NEUTRAL LARGER SITE FOR SAFETY REASONS AND TO ACCOMMODATE ALL SPECTATORS AND MEDIA WHO WISH TO ATTEND THE GAME.**
- **Scrimmages** – Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage.

All sports **teams will have a minimum of fourteen (14) practice days** before the date of the first scheduled competition. Sundays do not count as a day of practice. Saturdays and holidays may be used as practice days unless prohibited by local board policy or the CIAC committee on seasons limitations. An **individual athlete must participate in a minimum of ten (10) practices** prior to competition unless the athlete has been participating in a sport – for example a football player in the CIAC championship series that overlaps with a winter sport would not be required to complete ten (10) practices prior to competition.

- **Reporting Regular Season Scores** – In order to ensure that standings and rankings on both the CIAC’s websites and other sites which draw their data from us are timely and accurate, all regular season scores must be entered online no more than 24 hours following the game’s completion. It is highly recommended that scores are entered from the site as soon as the game ends.

Scores may be entered via the Online Eligibility Center, the “Submit Scores/Forms” option of the “CIAC for Coaches” menu at CIACsports.com, or the “Submit Scores” button in our CIACmobile.com mobile site. Entering scores at CIACsports.com or CIACmobile.com requires either a coach’s or scorekeeper’s access code, those codes are managed via the Online Eligibility Center and can be retrieved from a school’s athletic director.

- **Special Needs Students** – Coaches are reminded to inform contest officials prior to each competition of any special needs student who could be competing in the contest when his/her disability could impact the individual’s performance or the conduct of the competition.
- **CIAC Tournament Site Media Policy** – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. To that purpose CIAC tournament venues and hosts should make every effort to provide a working environment conducive to all media (print, broadcast and internet based) covering our events. The following are **minimum standards**, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:

1. A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.)
2. Access to electric power (shared power strip, etc.)
3. Access to wireless internet service

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on-site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

2013-14 NATIONAL FEDERATION BASKETBALL RULE CHANGES

- 1-19 (New) The use of electronic devices is permitted during the game.
- 3-4-2a A single visible manufacturer's logo/trademark/reference is permitted on the team jersey, not to exceed 2¼ square inches with no dimension more than 2¼ inches. The manufacturer's logo may be located no more than 5 inches below the shoulder seam on the front of the jersey, or 2 inches from the neckline on the back of the jersey; or in either side insert.
- 3-5-3 Leg compression sleeve was added to this rule to make its use consistent with the rule for wearing arm compression sleeve. As with the arm compression sleeve, the leg compression sleeve must be white, beige, black or a single solid school color, be the same color for each team member and bare only a single manufacturer's logo. Leg compression sleeves must be worn for medical reasons.
- 10-1-3 A team shall not:
- Use a megaphone or any electronic communication device at courtside, or electronic equipment for voice communication with players on the court.

At this point a line drawn from the sideline toward the team bench becomes the end of the coaching box going towards the end line. The coaching box is 14 feet long placed in the middle of the regulation 42 feet long half court. These lines shall be located off the court and be 2 inches wide. These directions should be followed on the opposite side of the scorer's table as well.
- 3-5-1 Note Each state association may, in keeping with applicable laws, authorize exceptions to NFHS playing rules to provide reasonable accommodations to individual participants with disabilities and/or special needs as well as those individuals with unique and extenuating circumstances. The accommodations should not fundamentally alter the sport, heighten risk to the athlete/others or place opponents at a disadvantage.

5.0 FORFEITS

- 5.1 Member schools will be required to submit regular season schedules for all sports controlled by CIAC in which member schools participate. Determination of forfeitures will be based on this schedule.
- A forfeit game shall count as a victory for the team declared the winner and as a loss for the team declared a loser in determining tournament qualifications and ratings. For tournament qualifications only the following reasons for a forfeit shall be accepted.
- 5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.
- 5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a National Federation rule violation, or a team refuses to play after being instructed to do so by the game official.
- 5.4 Forfeitures will be honored by CIAC sports committees when there is mutual agreement between the principals of the two schools involved in a game not played or terminated and the reasons for the forfeit have been approved by CIAC. If there is not mutual agreement and not playing the game impacts the tournament in any way, the CIAC sports committee Chair, in conjunction with CIAC staff and the tournament director will make the determination if the game should be forfeited.

When a game is being forfeited both schools involved must: (a) submit the forfeit form, which is found under the options for the sport in question in the CIAC Online Eligibility Center, within 72 hours of the scheduled time of the contest; and, (b) record the result of the game on their schedule as a win or loss (depending on if the school is giving or receiving the forfeit) with the word “Forfeit” entered in the field for the score of the game.

On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his/her designees, in consultation with the Chairman of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.

- 5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and ratings unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.

- 5.6 Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

6.0 **OFFICIALS**

- 6.1 Each school must complete this form and submit via the password protected online eligibility center – by February 10, 2014 – eight (8) varsity officials who in their opinion would be competent to officiate tournament games. From these lists a master List of Officials will be developed.
- 6.2 The game officials for all of the tournament games will be assigned by the CIAC. **OFFICIALS WILL BE PAID DIRECTLY BY THE CIAC OFFICE.**
- 6.3 Site directors should meet and greet officials and escort them to their private locker rooms and provide an escort to their cars when they are ready to leave.
- 6.4 Identity of officials assigned games by the Assistant Tournament Director, will not be disclosed prior to the game.
- 6.5 **Official Timers and Scorers** shall be adults who have been trained to perform their respective duties. **The official scorer is required to wear a black and white vertically striped garment.**

7.0 **PROTESTS**

- 7.1 On the eve of a tournament when there is not sufficient time for normal administrative procedures and Board of Control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the Chairman of the CIAC Board of Control, the Executive Director of CIAC, and the Chairman of the Tournament Committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.
- 7.2 **Decisions by Game Officials** – Protests arising from the decisions, interpretations and misapplication of the National Federation or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final.

The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules.

Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by CIAC.

8.0 **QUALIFYING**

- 8.1 To be eligible for consideration in the tournament, a team must play a minimum of twelve (12) games **AGAINST VARSITY OPPONENTS** and have won 40% of its approved scheduled games played. Only the first two games played with any single opponent shall be included in a team's final record.
- 8.2 Only games played with Conference member schools, American School for the Deaf, or out-of-state schools who are members of their state athletic association shall be considered.
- 8.3 Games played against non-member CIAC member schools or out-of-state schools who are not members of their state association will not count for tournament standings. However, those games **will** count toward the 20 game maximum limitation.

9.0 RANKING WITHIN CLASSES

9.1 Teams will be ranked within classes by winning percentage (number of games won divided by the number of games played). When two or more teams have the same winning percentage, the following steps will be used to break the ties:

a. When **only two teams are tied** at a percentage:

1. **Most Wins** – (ex. 10-10 is a higher rank than 9-9)
2. If a tie remains, head-to-head competition will be used.
3. If a tie remains power rating will be used. Each school is assigned a power rating based on the divisions, qualifying status and records of the school(s) that they beat. Win vs LL tournament qualifying schools = 10 points; vs L tournament qualifying schools = 8 points; vs M tournament qualifying schools = 6 points; vs S tournament qualifying schools = 4 points; vs non-qualifying team in any division with six or seven wins = 3 points; vs non-qualifying school with less than six wins = 1 point. Total points will be added and divided by number of games played to determine the school's rating.
4. If a tie remains, the team with most wins in highest classification will be the higher ranked team.
5. If a tie remains, the higher ranked team will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season (the team with the higher tiebreaker number will be the higher ranked team).

b. When **three or more teams are tied** at a percentage:

Note: the steps below will be applied only once for each percentage which has three or more teams. The steps will not be reapplied to attempt to change the rankings of teams which played head-to-head that end up in positions next to each other after the tie has been broken.

1. Most wins (i.e. 10-10 is a higher rank than 9-9)
2. If a tie remains power rating will be used, calculated using the method listed in 9.1(a)(3) above.
3. If two teams have the same number of wins and power rating and one of those teams holds an advantage over the other in head-to-head competition the team holding that advantage will be the higher ranked team. Note: if three or more teams are tied in power rating, head-to-head will not be used at any point in breaking that tie.
4. If a tie remains, the team with most wins in highest classification will be the higher ranked team.
5. If a tie remains, the higher ranked team will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season (the team with the higher tiebreaker number will be the higher ranked team).

9.2 **Pairings** – The pairings will be made as follows:

9.6 ***Final ranking and pairing information will be distributed to coaches on the CIAC web site by Wednesday, March 5, 2014 by 2:00 p.m.***

9.7 **League Playoffs** – League playoff games **SHALL NOT BE COUNTED** for tournament qualification or rating.

10.0 **SUPERVISION / SPORTSMANSHIP**

10.1 Players and coaches disqualified in a game will be required to serve the additional penalty as outlined in the CIAC regulation on “Disqualification.”

10.2 In the interest of crowd control and proper supervision the CIAC Board of Control has approved the tournament regulation requiring the principal of the participating schools or his/her designee to attend all tournament games. The school administrator should identify him/herself to the site director.

10.3 When a member school’s coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.

- 10.4 Use of tobacco products or possession of alcoholic beverages of any kind, including champagne, are not permitted in the gymnasium. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.
- 10.5 **Conduct and Good Sportsmanship** – We especially request that all school personnel – administrators, faculty, and coaches – give definite emphasis to the good sportsmanship so that students will conduct themselves in a manner that will reflect nothing but credit upon your school. Any unsportsmanlike conduct on the part of students or adults is unacceptable. We are the guests of the site school, and as guests we may want to be invited back. (See Appendix F)
- 10.6 **Signs, Noisemakers, Balloons Forbidden** – Please stress to pupils over your public address system the regulation that the use of confetti, signs, banners, placards, balloons and streamers is DEFINITELY NOT ALLOWED at tournament games. Bugles, horns, drums, whistles, or other noisemakers contribute nothing to the game and are a genuine source of annoyance to spectators. THEY WILL NOT BE PERMITTED, AND ANYONE RESPONSIBLE FOR SUCH ANNOYANCE WILL BE ASKED TO LEAVE THE GAME.

11.0 **TOURNAMENT RULES / PROCEDURES**

- 11.1 **Rules** – Rules – All contests shall be governed by CIAC and National Federation Rules.
- 11.2 **Uniforms** – All teams will be required to have two (2) sets of NUMBERED JERSEYS (alternate colors). The numbers 6, 7, 8, 9 may not be used, singly or in combination.
- The higher ranked team will wear the light colored jerseys and have the choice of team bench and for this purpose the original rating assigned to a team will be maintained throughout the tournament.
- 11.3 **Ball** -- Each school will bring a **SPALDING TF 1000 LEGACY** game ball in good condition. Teams should provide their own for pre-game warm-up.
- 11.4 **Bands** – Bands, drill teams, baton twirlers and similar organizations are not to be admitted or to perform at any tournament games.
- 11.5 **Cheerleaders** – Cheerleaders of participating schools, if supervised, will be admitted free to tournament games in which their school team participates. Each school will be allowed **UP TO 20 cheerleaders in uniform.**
- 11.6 **Crowd Control** – The CIAC Regulations for Insuring Maximum Crowd Control apply to the boys basketball tournament.
- 11.7 **Late Entry Policy**
- No tournament entries will be accepted after the established deadline except those approved by the CIAC Board of Control.
 - Corrections requested by a school to an entry form that was submitted by the established deadline but prior to seeding/pairing data being published on the web site, will be assessed a fee of \$50 per correction to a maximum of \$250.
 - All requests for corrections must be submitted on a support ticket via the online eligibility center.
- 11.8 **Tournament Regulations Violations**
If a school fails to comply with tournament regulations and such requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.

- 11.9 **Towels** – Shall be furnished by the participating teams.
- 11.10 **Solicitation of Funds / Selling T-shirts, etc.** – Solicitation of funds or selling merchandise for any purpose at any of the tournament games is prohibited unless permission to do so is given by CIAC. (Team IP has a contract with and thereby authorized by CIAC to sell T-shirts and other merchandise at the basketball championship games.) Food, candy and beverages may be sold by the site schools.
- 11.11 **Movies, Video Tape** – Prior permission of the site director must be obtained if video tape and/or movie equipment is to be used during tournament games. The use of this equipment is limited to participating schools and is only for post-game use of the teams involved. No commercial use of these tapes or films is permitted.

It is considered to be unethical for an athletic department to video an opponent without their knowledge and approval.

All non-commercial videotaping at tournament sites must not create a safety hazard, or obstruct a view.

- 11.12 **Half-time** – For the FINAL GAME ONLY – the half-time will be 10 minutes in duration.

APPENDIX C

CRITERIA TO BE USED FOR SELECTION OF SITES FOR QUALIFYING, FIRST ROUND, SECOND ROUND AND QUARTER-FINAL GAMES

Home Sites – Qualifications and Neutral Sites Criteria

The home site qualification form and neutral sites criteria must be submitted via the password-protected online eligibility center by January 21, 2014. If athletic directors have questions – please contact Jiggs at (860) 658-4362 or at CIAC office (203) 250-1111.

FAILURE TO SUBMIT THIS FORM MAY COST YOU A FIRST ROUND, SECOND ROUND OR QUARTER-FINAL GAME.

Boys basketball quarter-finals will be determined by:

1. Tournament Director reserves the right to select a neutral site based on previous experience with schools involved throughout the tournament.
2. Seating capacity per division:
Class S – 500 Class M – 600 **Class L – 800** **Class LL – 950**
3. Schools have the opportunity to find a neutral school in their area if their site does not meet the criteria.
4. Play at their opponent’s site if their capacity meets CIAC standards.
5. **The CIAC reserves the right to move any game to a neutral larger site for safety reasons and to allow all spectators to see the game.**

APPENDIX D

SELECTION METHOD FOR CIAC BASKETBALL OFFICIALS

1. In January each CIAC school is required to submit a list of eight (8) varsity officials from its IAABO board's list of varsity officials (the board which assigns home games) who are competent to officiate tournament games. Each IAABO board will communicate to the athletic directors and head coach of all of the schools it services, its list of approved, varsity officials prior to December 11, 2013. In addition, each school is asked to submit two (2) varsity officials from other boards whose abilities are of tournament caliber. Failure to comply with this requirement will result in the loss of a school's privilege to delete names from the master list of tournament officials between February 5 and March 10.
2. Ballots are tabulated and a complete list of officials is compiled, along with numbers of votes received by each official.
3. This list is presented to the CIAC Advisory Committee on Officials for study and input. The Advisory Committee consists of the commissioners from officials boards that have one or more officials who have received sufficient votes to participate in the tournament, and the Assistant Tournament Director.
4. A list of approximately 75 of the most competent varsity officials in Connecticut (based on the votes of coaches) is established. The list must be sufficiently large to accommodate the number of games scheduled for any tournament date, in addition to those officials who are not available due to prior commitments.
5. The number of varsity officials selected from each board is based on the percentage of schools each board serves, relative to the total number of CIAC schools in CIAC basketball.
6. The list of tournament officials is prepared and presented to participating coaches on the CIAC web site at the time of the announced pairings. Coaches will be allowed to delete the names of NO MORE THAN TWO (2) OFFICIALS WHOSE SERVICES THEY WOULD PREFER NOT TO HAVE. Coaches must use the CIAC web site to delete officials. Deadline: Monday, March 10, 2014, 7:00 p.m. This information will be considered in making assignments for second round, quarter-final, semi-final and final games.
7. "Teams" of varsity officials will be selected from within each board. In assigning officials for all tournament games the Assistant Tournament Director will normally select from a "neutral board" when competing teams come from **different board representation**. If both competing teams are from the **same board**, officials from that board **may be assigned**. The Assistant Tournament retains the authority to assign from any board in the event of extenuating circumstances.
8. All assignments will be made by the Assistant Tournament Director. Identity of varsity officials assigned to games will not be disclosed prior to games.
9. In accordance with action taken by the Basketball Committee, **three (3)** varsity officials will be assigned to the quarter-finals, semi-finals and finals of all boys basketball games. There will be no alternate officials. In the interest of the game, the assistant director may assign three (3) varsity officials for selected first or second round games.
10. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a final that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

APPENDIX D

2014 BOYS BASKETBALL SELECTION OF TOURNAMENT OFFICIALS

The officials form must be submitted via the password-protected online eligibility center by February 10, 2014.

The 2013-14 Boys Basketball Committee has adopted the format for the selection of officials for tournament games as outlined in the enclosed communication. Please read it carefully.

To assure that we obtain the most qualified board certified officials, each coach is **required** to:

1. Submit a complete varsity officials ballot, **regardless of your win-loss record**;
2. Indicate the names of two (2) certified officials outside your own board who, in your opinion, are of tournament caliber.

Note:

- If you lack sufficient knowledge about “outside” board officials, please leave those spaces blank.
DO NOT ADD OFFICIALS FROM YOUR BOARD.
- For schools who are serviced by more than one board, restrict your votes to those boards.
- Vote for only those officials who are currently working boys varsity high school games.

To be fair to fellow coaches and officials, we should continue to strive for total involvement of all schools in the selection of officials. Please give this your serious and prompt attention.

IF YOU FAIL TO SUBMIT A BALLOT YOU WILL LOSE THE PRIVILEGE OF DELETING NAMES FROM THE TOURNAMENT LIST.

APPENDIX E

Games played with out-of-state schools must have been reported to CIAC for investigation and rating not later than December 9, 2013. Out-of-state games not reported by this date may count as losses for tournament purposes.

Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control. Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

4. Each school will be allowed up to fifteen (15) boys in uniform. There cannot be any alternates or substitutes to the original list of fifteen submitted. (DISREGARD OF THIS RULE MAY MEAN AUTOMATIC DISQUALIFICATION.)

6. The PRINCIPAL of the participating school is responsible for the knowledge, distribution and implementation of the CIAC Crowd Control Regulations which appear in the CIAC Handbook.
7. THE HIGER RANKED TEAM SHALL WEAR WHITE JERSEYS. THE ORIGINAL RATING ASSIGNED TO A TEAM WITHIN ITS ENTIRE STATEWIDE DIVISION WILL BE MAINTAINED THROUGHOUT THE TOURNAMENT.

Always have alternate jerseys available. In cases of similarity of colors, the lower ranking team will wear color assigned by the site director.

CERTIFICATION:

The school principal certifies that the individuals listed on the Official Tournament Entry Form have satisfied the State health Statutes, CIAC and local regulations regarding physical examinations.

APPENDIX F
CIAC BOYS BASKETBALL TOURNAMENT
SPORTSMANSHIP STATEMENT

To be read on the public address system by the captains at all CIAC 2014 basketball tournament games:

To be read by the Home Team Captain:

“Welcome to tonight’s game between _____ and the _____ (opposing school and mascot nickname). We view the basketball court as an extension of the classroom where we learn the principles of sportsmanship, fair play, and respect for others. Tonight we ask for your enthusiastic support for these important principles as you root for your respective team.”

To be read by the Visiting Team Captain:

“We also ask that you support the student-athletes from both participating schools by honoring our request to treat all the players, coaches and officials with courtesy and respect. Thank you and enjoy tonight’s game.”

Recommendation:

The sportsmanship statement should be read before all regular season games.

APPENDIX G

CIAC 2013-14 BOYS BASKETBALL TOURNAMENT Memorandum to All Site Directors and Competing Schools

The Connecticut Interscholastic Athletic Conference appreciates the use of your facilities and the following is offered with the idea of assisting those who have been designated as Site Directors. The close observance of these suggestions will make for a smooth-running tournament and will bring satisfaction and enjoyment to all.

The Site Director – In order to operate one of its most important programs the CIAC has selected competent school personnel to take complete charge of the games in the basketball tournament. The site director is entirely responsible for the particular game assigned to his/her school; he/she is the direct representative of the organization and, more specifically, of the Basketball Committee and the Tournament Director. While the site director obviously cannot do all the work him/herself, it is his/her responsibility to engage such competent personnel as may be needed to see that the program is conducted successfully. However, site directors are requested to be realistic regarding the hiring of personnel. Site directors will have to use their best judgment depending on anticipated attendance. Only adults should be assigned to the positions of timer and scorer, and the scorer must be reminded to get from each team the name and number of each squad member as well as the five starting players. It is most advisable to have a hand operated clock(s) on hand and expert scorers in the event that the electrical clock and/or scoreboard become inoperative. Serious violations of CIAC policy or worthwhile recommendations on the part of participating schools should be reported in writing to the Tournament Director immediately after the game. ALL EXPENSES WILL BE PAID DIRECTLY FROM CIAC OFFICE. Return all proceeds of ticket sales and all expenses incurred to CIAC office. Remind officials that they have complete charge of the actual playing of the game. RETURN UNSOLD TICKETS, INCOME, EXPENSES AND FINANCIAL REPORT TO CIAC OFFICE AS SOON AS POSSIBLE AFTER GAME IS PLAYED.

Telephone Scores of Games Immediately – Every site director knows full well that in order to operate a successful tournament, things should move smoothly and rapidly. This is particularly true when it comes to making pairings and selecting sites for the next game, and as a consequence we must know as soon as possible the results of all games – which team won, and the score. We are, therefore, asking each site director to TELEPHONE (COLLECT) the results of each game immediately at the conclusion of the contest. This is a very important responsibility and we ask your full cooperation. Tournament Director Jiggs Cecchini's telephone (860) 658-4362.

Opening Ceremony

1. Arrange for playing the National Anthem before the start of each game.
2. Draft a short memo to be read to the spectators before each game which will include: Important crowd control regulations such as prohibition of horns, whistles, etc., as well as the encouragement of good sportsmanship.

Supervision of Locker Rooms – Provide for supervision in each team's locker room before, during and after the game in order to prevent vandalism of facilities or theft of personal property.

Officials – The game officials will be assigned by the CIAC, and they will take complete charge of the actual playing of the game itself. Officials should be met at the door, escorted to their locker rooms before and at the conclusion of the game, and escorted to their cars when they are ready to leave. Officials will be paid directly by CIAC. All other operational details are the responsibility of the site directors. Please provide parking for officials close to the entrance of the gym.

Press – Adequate publicity and favorable public relations are necessary in the operation of any tournament, and in this connection the CIAC appreciates the work and contribution of a fine group of people who bring accounts of our individual games to the public. Consequently, we are asking our site directors to see that newspaper writers and radio sportscasters are treated courteously and supplied with as good accommodations as are possible consistent with the facilities available. Members of the press will, upon proper identification, be admitted to any game. Newspaper reporters who are actually

covering the game should be provided a seat at a table in the press box or “on the floor,” or at least where spectators will not be jumping up and down, blocking their view.

Stringers – Some large newspapers which cover many regional games in one evening send out part-time reporters (stringers) who do not carry press passes. The newspaper, through the head of the sports department, should notify the site director the afternoon of the game that one of these “stringers” will be at the game that evening. When he has properly identified him/herself, admit him/her and provide a place at the press table. If he brings a guest, assign this person to a seat in the stands. Do not accept for admission white tickets which merely indicate that the holder is a member of the Sports Writers Alliance.

Telephone – If at all possible, at the conclusion of the game, try to make telephones available so that a reporter can call his/her game into his/her newspaper if he/she has to make an important deadline.

Completion of Final Report – Important – A very important responsibility of the site director is the completion of the final financial report of each game. Kindly make a separate report for each contest; use one copy of the form enclosed with tickets as a work sheet and send one copy to the Tournament Director, CIAC, 30 Realty Drive, Cheshire, CT 06410, as soon as possible after the game. If the report can be typewritten, it will be appreciated. Honoraria will be mailed to site directors by the CIAC as soon as all tournament financial reports are in the hands of CIAC.

All tickets will be numbered and the site director should carefully indicate on his/her report the “starting number” and the “next unused number.” The difference between these two figures should indicate the actual number of tickets sold. (There is a tendency to forget that the printed numbers of tickets are inclusive.)

APPENDIX H

CONNECTICUT INTERSCHOLASTIC ATHLETIC CONFERENCE CONCUSSION MANAGEMENT AND RETURN TO PLAY REQUIREMENTS “WHEN IN DOUBT – SIT IT OUT”

A concussion is a type of traumatic brain injury or (TBI), “that changes how the cells in the brain normally work. A concussion is caused by a blow to the head or body that causes the brain to move rapidly inside the skull. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. Concussions can also result from a fall or from players colliding with each other or with obstacles, such as a goalpost” (Centers for Disease Control and Prevention, 2009).

PART I -- SIGNS AND SYMPTOMS OF A CONCUSSION

– A concussion should be suspected if any one or more of the following signs or symptoms are present, or if the coach/evaluator is unsure.

1. Signs of a concussion may include (what the athlete looks like):

- Confusion / disorientation / irritability
- Trouble resting / getting comfortable
- Lack of concentration
- Slow response / drowsiness
- Incoherent / slurred speech
- Slow / clumsy movements
- Loss of consciousness
- Amnesia / memory problems
- Act silly / combative / aggressive
- Repeatedly ask same questions
- Dazed appearance
- Restless / irritable
- Constant attempts to return to play
- Constant motion
- Disproportionate / inappropriate reactions
- Balance problems

2. Symptoms of a concussion may include (what the athlete reports):

- Headache or dizziness
- Nausea or vomiting
- Blurred or double vision
- Over sensitivity to sound / light / touch
- Ringing in ears
- Feeling foggy or groggy

Note: Public Act No. 10-62 requires that a coach MUST immediately remove a student-athlete from participating in any intramural or interscholastic athletic activity who (A) is observed to exhibit signs, symptoms or behaviors consistent with a concussion following a suspected blow to the head or body, or (B) is diagnosed with a concussion, regardless of when such concussion or head injury may have occurred.

PART II – RETURN TO PARTICIPATION (RTP)

– Currently, it is impossible to accurately predict how long concussions will last. There must be full recovery before someone is allowed to return to participation. Connecticut Law now requires that no athlete may resume participation until they have received written medical clearance from a licensed health care professional (Physician, Physician Assistant, Advanced Practice Registered Nurse, Athletic Trainer) trained in the evaluation and management of concussions.

Concussion management requirements:

1. No athlete SHALL return to participation (RTP) on the same day of concussion.
2. Any loss of consciousness, vomiting or seizures the athlete MUST be immediately transported to the hospital.
3. Close observation of an athlete MUST continue following a concussion. This should be monitored for an appropriate amount of time following the injury to ensure that there is no escalation of symptoms.
4. Any athlete with signs or symptoms related to a concussion MUST be evaluated from a licensed health care professional (Physician, Physicians Assistant, Advanced Practice Registered Nurse, Athletic Trainer) trained in the evaluation and management of concussions.

5. The athlete MUST obtain written clearance from one of the licensed health care professionals mentioned above directing them into a well defined RTP stepped protocol similar to one outlined below. If at any time signs or symptoms should return during the RTP progression the athlete should cease activity*.
6. After the RTP protocol has been successfully administered (no longer exhibits any signs or symptoms or behaviors consistent with concussions), final written medical clearance is required by one of the licensed health care professionals mentioned above for them to fully return to unrestricted participation in practices and competitions.

Medical Clearance RTP Protocol (Recommended one full day between steps)

<u>Rehabilitation stage</u>	<u>Functional exercise at each stage of rehabilitation</u>	<u>Objective of each stage</u>
1. No activity	Complete physical and cognitive rest until asymptomatic. School may need to be modified.	Recovery
2. Light aerobic activity	Walking, swimming or stationary cycling keeping intensity, <70% of maximal exertion; no resistance training	Increase Heart Rate
3. Sport Specific Exercise	Skating drills in ice hockey, running drills in soccer; no head impact activities	Add Movement
4. Non-contact training drills	Progression to more complex training drills, i.e., passing drills in football and ice hockey; may start progressive resistance training	Exercise, coordination and cognitive load
5. Full Contact Practice	Following medical clearance, participate in normal training activities	Restore confidence and assess functional skills by coaching staff

* If at any time symptoms should return during the RTP progression the athlete should stop activity that day. If the athlete's symptoms are gone the next day, s/he may resume the RTP progression at the last step completed in which no symptoms were present. If symptoms return and don't resolve, the athlete should be referred back to their medical provider.
