9	If a match is tied at the end of regulation, 2 10-minute sudden victory overtime periods will be played. Shoot-outs or penalty kicks are not allowed to determine winners. If tied after the second overtime period, the result is a tie.	10/9/2017 11:17 AM
10	If a tie score exists at the end of regulation play in regular season varsity conference games, play will continue with two overtime periods of 10 minutes each; if there is no winner at that point, by conference adoption, a winner can be determined by penalty kicks, otherwise the game shall be considered a tie for both teams. (1) For non-conference varsity games with prior mutual consent of the teams, play will continue with two overtime periods of 10 minutes each. (2) Junior varsity teams do not play overtime periods. (3) In tournament play, tied games must be resolved by the NFHS Tie Breaking Procedure, and those decisions count in a team's won-loss record. One goal is added to the winning team's score, and an asterisk may be placed by the team advancing to indicate advancement was the result of the progression format.	10/9/2017 8:23 AM

22	Tie Games A. Regular season games that are tied at the end of 80 minutes of play: 1. The decision whether to break ties will be made prior to the game by the two teams playing. 2. If used, tie games will be resolved by the same procedure used in (B). B. District, state or play-in games that are tied at the end of 80 minutes of play will be resolved as follows: Two (2) sudden victory (10) ten-minute overtimes will be played. If the game is still tied after the (2) 10-minute overtime periods, kicks will be taken from the penalty mark with five (5) members from each team alternating kicks. After all five (5) members from each team have kicked, the team with the most goals will be declared the winner. If the game is still tied, the coach will select five (5) new players (different players than the first five (5) who kicked), to take alternating kicks in a sudden victory situation; if one team scores and the other team does not score, the game is ended without more kicks being taken.	10/3/2017 3:38 PM

11	Yellow Card Tracking and Ejections: Coaches and athletic directors will be responsible for tracking yellow cards accumulated by their players and all team personnel (including coaches). (1) Five yellow cards accumulated by the same player will result in a suspension (miss next contest at that level and all contests in the interim). No report should be submitted to the NCHSAA. (2) An additional five yellow cards accumulated by the same player (season total of 10) will result in an ejection. (3) The player will be suspended from all sports for the remainder of that sports season on the 15th yellow card (or second ejection). This should be reported to the NCHSAA both after 10 and after 15. (4) A red card disqualification that is not an ejection is the equivalent of two yellow cards. (5) Yellow cards are reset to zero once state playoffs begin (after conference tournament); however, all previous penalties must be served. (6) With three yellow cards in playoffs, player is suspended for next game. (7) A total of five yellow cards means player is out for remainder of playoffs and may carry over to other sports. (8) Penalties are enforced at the conclusion of the game, and an ejection report must also be filed at the appropriate time for accumulation of yellow cards.	10/9/2017 8:23 AM

16	Athlete gets 5 yellows they have to sit out one game. If a teams gets a total 32 yellow or red they are not eligible for the post season.	10/4/2017 8:40 AM
17	Sixteen yellow cards during the regular season will eliminate a team from the playoffs. That team is put on probation for the following season with 10 yellow cards eliminating them from the playoffs. Once a player accumulates 5 yellow cards during the regular season he/she may not participate in the next game even if it is the first playoff game. If the fifth yellow card is the second in a game the player may not play in the next two games. All teams and players start the playoffs with zero cards. Five yellow cards accumulated by a team/coach in a playoff game results in that team playing with one less player (10). Two additional yellow cards requires a team to finish the game with nine players.	10/3/2017 7:56 PM

19	<p>Caution Count: Yellow cards received during regular season or tournament competition must be counted. Once a coach or player has accumulated five yellow cards, they are suspended for the next game. Once the coach or player accumulates three additional yellow cards, they are suspended for the next two games; three more - they are suspended three games, etc. These are minimum penalties. a. All yellow cards must be reported by the official to the IHSA and the member school as currently practiced with all ejection reports. Schools are responsible to keep track of all yellow cards issued to their coaches and players. A yellow/red card form is available online through the IHSA Schools Center and the IHSA soccer webpage for schools to download during the season. Coaches are encouraged to complete the form and submit it to their Athletic Director after each game. b. At the start of the IHSA tournament series, a coach or player will begin the tournament with a clean slate if they have accumulated four or fewer yellow cards during the regular season. c. If a coach or player enters the tournament series having accumulated five or more yellow cards during the season, their yellow card count continues. Once the individual accumulates 8 total cards they are suspended for two games; 11 yellows they are suspended for three games, etc. d. Officials who submit a yellow card report or an ejection report through the Officials Center do not need to send a separate report to the school. Schools are able to immediately see the yellow card or ejection report on their Schools Center. e. Officials who submit a yellow card report or an ejection report via fax to the IHSA need to send a separate report to the school. f. Schools or coaches who do not receive a special report electronically or by fax within 48 hours of the contest must send the officials name and ID number to the IHSA office for follow up. 11	JV uniforms will begin to comply in 2018 while modified teams will begin to comply in 2020. This is due to budgetary considerations.	10/4/2017 3:59 PM
12	For visible undergarments, we allow white, black, or the color of the garment. Everyone on the team wearing the garment must be wearing the same color. We did this mostly due to weather concerns. When it's cold, players wear long-sleeved shirts and tights under their uniforms. We didn't want to force them to purchase two full sets, and some colors (dark green, purple, maroon) are harder to find and more expensive than black. We couldn't justify forcing families to purchase two full sets without more notice. We also allow a string on the wrist to be covered with tape or a wristband (traditional Hmong religion).	10/4/2017 1:18 PM
