

BE A CATALYST FOR CHANGE. ATTEND THE NHS/NJHS STATE SUMMIT IN CONNECTICUT.

Students take an active role to effect change.

The State Summit is a **one-day program**, free and open only to NHS and NJHS members. The day is designed to cultivate empowerment and leadership for student attendees, while sparking conversations aimed at real results. This unique networking experience enables students to develop an action plan that they can take back to their school for implementation. They will also hear from state leaders about current issues.

Actively engage in problem solving.

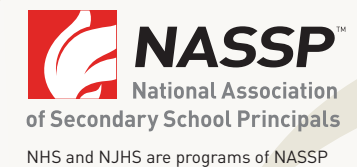

Presented in a think-tank format, students will be at the table, engaged in discussion and employing design-thinking strategies aimed at identifying challenges at the school or in the community and implementing solutions.

This is applied, experiential learning at its best—exactly the skill that colleges and employers seek!

A HISTORY-MAKING EVENT IS COMING TO CONNECTICUT.

NHS and NJHS are programs of NASSP

SOME READ ABOUT HISTORY. OTHERS MAKE IT. NOW, *YOUR* STUDENTS CAN MAKE HISTORY BY PARTICIPATING IN THE CONNECTICUT STATE SUMMIT.

Leadership development for your student members is coming to a zip code near you! The National Honor Society (NHS) and National Junior Honor Society (NJHS) proudly introduce the Connecticut State Summit, an exclusive opportunity for members to dive in and discover—in hands-on fashion—*how* to become a leader.

State Summits are a direct result of research in which NHS and NJHS advisers, principals, parents, and students asked for leadership training opportunities closer to home. So we're bringing it straight to Connecticut as well as schools within a 200-mile radius of Stamford, where the Summit will take place.
