SEPT-JUNE STATE STUDENT ADVISORY COUNCIL ON EDUCATION

In 1998, the CT State Legislature created the State Student Advisory Council on Education (SSACE) to give Connecticut students a voice in education planning and enable the state board of education, the commissioner of education, state department of education personnel, the governor, and state legislators to become familiar with high school students' perspectives on key issues. SSACE meets regularly with CAS director of student activities, the education commissioner, and on occasion with the Governor, to reflect student opinion on matters of concern to the state's high schools. The Council meets ten times per year. Members write position papers on important topics in education; conduct the statewide Challenge to Educational Citizenship Awards Program; and, through their discussions and activities, learn from each other about citizenship, leadership, and responsibility.

For the past 23 years, SSACE has dedicated monthly meetings to influencing legislation and adapting it to the changing needs of Connecticut students. It has conducted action research recommendations on critical topics such as reducing the achievement gap, reforming standardized testing, teacher diversity in schools, how to cultivate an interest in teaching in Connecticut, and instituting programs promoting health and wellness.

Applications are sent to principals for selections in May. For more information contact Cheresse Miller-Odukwe at cmiller@casciac.org.

Esports is a great way for students to build character, collaboration, community and respect, all while competing in fun and safe video games, monitored by coaches.

OCT-MAR HIGH SCHOOL DEBATE

The Connecticut Debate Association (CDA) is the premier high school debate league in Connecticut. CDA has sponsored a regular program of competition for over 30 years. Our debate format is cross-examination policy debate, but we change the resolution for each tournament and limit research so we have more in common with parliamentary debate at the high school and college level. The CDA season begins with a novice scrimmage in September to introduce new debaters to the format. We follow with tournaments one Saturday each month from October through March, followed by a state finals championship tournament. Debaters qualify for state finals by their performance at the monthly tournaments. With as many as 500 debaters participating in some months, we run tournaments at two or three schools on each date to provide space for all, and, with luck, reduce travel time. Each tournament has a varsity and novice division to accommodate different levels of skill and experience.

Inquiries to Everett Rutan, Executive Director at ejrutan3@ctdebate.org.

OCT-JUNE STUDENT ATHLETIC ADVISORY BOARD MEETINGS

Students will continue to have a voice to educate and promote respect, teamwork, and character in all of our Class Act schools and beyond. JULY-TBA NEW ENGLAND STUDENT LEADERSHIP CONFERENCE

Each summer, student-athletes and school activities participants from CAS-CIAC member schools have the unique opportunity to network with students from Massachusetts, Maine, New Hampshire, Rhode Island and Vermont at the annual New England Student Leadership Conference at Worcester State University. Incredible attention is being paid to high school athletics and activities programs today. Participants in these programs are looked up to as leaders because of their position on the team or club. The impact that these young people have on the climate and culture of their schools, fellow students and community is tremendous. In fact, studies show that more than one-half of high school students participate in some form of school activity or athletic program. The involvement of these students in the success of a high school is paramount and critical.
