

2023-24

# CAS LEADERSHIP ACADEMY

Empower. Inspire. Lead.

## CAPACITY BUILDING

The Leadership Academy curriculum is designed to develop the capacity and self-assurance needed to lead in today's complex educational environment.

## COMMUNITY OF PRACTICE

Academy participants will learn how to effectively lead adults through active participation in an authentic community of practice.

## CHANGE LEADERSHIP PROJECT

Academy participants will engage in a Change Leadership Project to apply their learning while advancing the work of the school/district.

## ENDORSEMENT

***"The Leadership Academy was a safe space to explore, learn, and grow. The culture of trust and respect fostered by the CAS facilitators allowed us to connect and collaborate in meaningful ways, leverage our strengths, and develop the confidence to drive positive change in our classrooms and schools."***
